

DIRECTIONS TO THE LEND AND PLAY TOY LIBRARY

On weekdays, term time, here are directions to our closest pay & display car park:

1. Turn RIGHT (from Wokingham direction) or LEFT (from Reading) at The George pub traffic lights, onto Loddon Bridge Road
2. Continue all the way along this road, over mini roundabout, approx 1.5 miles to large 'Just Tiles' roundabout,
3. Take first exit – Headley Road (NOT Headley Road East exit)
4. Continue until reach mini roundabout
5. Turn left into pay & display
6. Standing in front of the book library, the walkway to the Lend & Play Toy Library can be found adjacent to the Citizen's Advice Bureau (brown building in the corner).
7. Take walkway through green gate,
8. Looking right towards Ambleside / Children's Centre, the Toy Library is the bright green container unit.

On Saturdays / school holidays it may be possible to park immediately adjacent to the Toy Library, in the Ambleside / Children's Centre car park.

1. Follow directions 1 – 3 as above
2. Instead of continuing to mini roundabout,
3. Turn left into Arundel Road,
4. Next main turning RIGHT (ignore housing parking area entrances) into Ambleside Close
5. Follow this to the top, enter through barrier if open.

The Ambleside / Children's Centre do allow our members access into their car park to collect large items, on the strict agreement that they are collecting only (with hazards on) and not occupying a space.

This must be done by pushing no.2 'Ambleside' on the entry keypad at the barrier, and explaining the reason for your visit.

This is offered on good will as parking is very limited and shared with the school.

We therefore respectfully request our members not to abuse this facility.

There is also parking at Waitrose Car park in Woodley.
