Parental Consent Form

For Digital Images and Video

At **Potters Bar Crusaders Youth Football Club** we take the issue of child safety very seriously, and this includes the use of images of players. Including images of players in club and sponsor publications, and on the club and sponsor websites can be motivating for the players involved, and provide a good opportunity to promote the work of the club. However, we have a duty of care towards players, which means that players must remain unidentifiable, reducing the risk of inappropriate contact, if images are used in this way.

We ask that parents consent to the club taking and using photographs and images of their children. We will never include the full name of the player alongside an image.

Please complete, sign and return this form with the Registration Pack

I consent to photographs and digital images of the child named below, appearing in **Potters Bar Crusaders Youth Football Club** and its sponsors printed publications and/or on the club and sponsor websites. I understand that the images will be used only for general publicity purposes and that the identity of my child will be protected. I also acknowledge that the images may also be used in and distributed by other media, such as CD-ROM, as part of the promotional activities of the club, and as a training aid.

Please note that Potters Bar Crusaders Youth FC will ensure that these images are created and used in line with The F.A. guidance notes from their publication 'Celebrating Football through Photographs and Video' which is available at www.TheFA.com/goal.
