

The New Members Club Winter Programme 2008 / 2009

The winter programme will run from October 2008 to April 2009 and a full list of the session dates is below. Weather and other circumstances permitting, the Harp Sailing School RS Visions may be used for these sessions as well as the club boats.

The winter sessions will normally comprise a briefing at 2.30 pm, followed by course sailing or free sailing, with some on-the-water exercises if conditions are suitable, and informal questions and discussion afterwards. Because the days will be shorter, we do not plan to organise races as part of the winter sessions. If conditions are not suitable for sailing, we will run a shore-based session instead.

Please remember that air and water temperatures can be very cold in winter, and suitable clothing should be worn for sailing. This should normally include wet or dry suits, dinghy boots and winter sailing gloves.

If you have any questions please let us know, and we look forward to seeing you.
