

## *Eco-Pirate* craft event

at the Croxley Parish Council Hobbies & Craft Taster Day

Sunday 9<sup>th</sup> Oct 2011 Little Green School

*We will provide ideas, colouring, cutting and sticking equipment for you to make your own eco-pirate outfit or treasure from re-cycled materials.*

*We will bring along a supply of re-cyclables for you to use, but if you are able to bring any along to help with your own project or to share with others please do!*

*If you have any old clothes to customise either as your pirate outfit or a craft overall, (or to cut pictures/patterns off), they would be very useful.*

*Otherwise, we are mainly using plastic carrier bags, foil or cellophane sweet wrappers, small boxes/packaging.*
