Paul Knight • Close up Illusionist

TV has popularised magic with small objects - cards, coins, rings, etc. But the camera lens cannot even hint at the thrill of experiencing this unique form of entertainment - live! It happens before your very eyes; it happens in your own hands!

The closer you watch - the less you see.

At formal functions Paul performs at each table between courses and during coffee.

At buffets and receptions he goes 'walkabout' - mingling with the guests and entertaining them with magic and laughter.

You will find Paul's magic to be a great ice-breaker and the perfect talking point.

Let your guests experience the wonder right under their noses with magic tailored to suit the venue and situation
