## DAYGLO PIRATES IN 'FEW MORE GIGS' RUMPUS

### WORDS FROM OUR SPONSOR

We thought we send a certain Mr Anderson a copy of our promotional video.... you know ...just in case !!

Well, blimey and heck...he actually liked it/us and kindly wrote a very charming letter back full of guarded praise and complements. He even gave us the following quote to use in publicity:-

*"If the guys can get the haircuts a bit more up-to-date you might even fool me on a good night. Come to think of it, what are you doing Mondays, Wednesdays and Fridays? I could use some time off so perhaps we can come to some arrangement if you promise never to tell a soul.."*

**Ian Anderson**

Er...we're working on the haircuts!!

### MAIL ORDER FISH PRODUCTS

OK, you've got every Tull album/single in every format. You've collected fragments of balloons from the finales of the last 20 gigs.

*Lets face it, you're really sad!*

Well if (like us) you are looking for further outlets for your Tullophilia and can't yet afford the One-piece-Anderson-Tartan-Anorak-Cum-Romper-suit.. well.. look no further!!

The Dayglo Pirates are proud to inform you that Strathaird Salmon Products can be purchased from:-

Be warned you can't actually *collect* these products as such as it tends to get a bit smelly after a while, but they're bloody yummy!

### POST-MODERN DOUBLE BILL

I'm sure you're all aware that Tull launched themselves on the unsuspecting public by supporting (among others) Led Zeppelin.

Well we're attempting a recreation of that historic double bill by performing on May 29<sup>th</sup> with **Whole Lotta Led** who are (as you may have deduced) an ace Zeppelin tribute band. The gig is at a superb 700 capacity venue with great sound system.

If you want more info on Whole Lotta Led write to:

### WRITE TO THE BAND!

If you've really nothing better to do with your life, then drop us a line and talk Tull to us... suggest venues we should play near you, songs we should be doing.. er..songs we *shouldn't* be doing !! Even better, add some unsuspecting swine to our mailing list.
