**'Classy English Folk Guitar, eminently listenable vocals & great songs both traditional & contemporary'** **Mike Raven**

**'A punchy guitarist in the 'English folk' style & offers a set equally split between his own songs, other people's and traditional'** **fRoots**

**'Stylistically falls very much within the Carthy/Nic Jones school with a strong rhythmic impetus that's infectious in the extreme'**  
**Traditional Music Maker**
