Corinthian Jedi Player Profile - Matt Firth

A ode of love by Caribbean Roy

Caribbean Roy's new
Sex toy

Mathew is from Yorkshire so he's our overseas player allowance in the Corinthian Jedi. Matt is a talented off spinner and specialises in deep field catching – this boy can take anything!! As well as taking anything he also performs well on the cricket field. Mathew is our youngest player and something of a pin up among the young men and girls who follow the Jedi.

As well as being a full participant on field Matt uses his negotiating skills to secure the off field substance - £10 at Willy's for a mouthful!!

Outside of cricket Mathew enjoys the hobby of teaching and travel. This boy is handsome, talented, and a gentleman! He holds the key to Fortress Clee Road, the game of cricket, and young ladies hearts

As for the Star Wars character for Overseas Matt it could only be the side kick of C3P0 (caribbean Roy) -R2D2! A perfect body shape for Matt & as he is below 6ft he is officially a dwarf!

Week 2 - How to wear a dress

"Hi all I've had an email from Jase Clark an anonymous Jedi cricketer about how to wear a dress, & colour Coordinate, I can see from the wardrobe of the mystery Cricketer he likes his colourful dresses, I myself prefer To wear hotpants or a mini skirt but I have to shave my legs - hairy legs are a no no! But I would suggest to buy Some 6" stilettos I find my legs always look amazing In high heels - I hope this helps " -TP

FTSE - Fingers & Taz Show Everyone

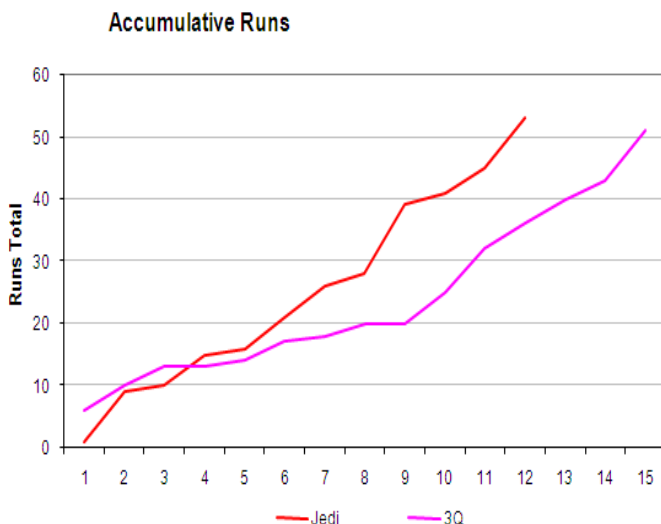

The Fingers & Taz captaincy enabled the Corinthian Jedi to take their 1st league victory of the season. With a case of beer on the outcome of this crucial match the Jedi were firing on all cylinders. 1st problem - to decide who was dropping out, everyone mumbled their various reasons to not be cut! Uncle Daz & Overseas Matt took a tactical decision to forego the match, only to be guaranteed a place next week on the hallowed turf of Cleethorpes Cricket Club. 3Q won the toss & chose to bat – game on!

Greedo & HK Kelly opened the Jedi bowling & straight away the 3Q wickets began to fall

POW! – 1st over a catch by Dingo

BOSHI! – 2nd over another catch this time by mongo Jase

OUCH! – 4th over a 3 wicket haul & maiden over by HK Kelly

The Jedi were on fire! 3Q were down & disabled – I repeat down & disabled.

But the best was yet to come, after much barrcking pre match Didds Mumby was in fear of Biff & his pace bowling, Didds avoided strike as much as possible but the inevitable happen. Biff fired some venomous balls at poor old Didd, including bouncers & body shots with batsman ending up on the deck eating dirt. After finally finishing playing with him like a cat plays with a mouse, Biff put him out of his misery & bowled him. All was left was to finish of the tail enders with Caribbean Roy either taking wickets or a spanking from the batsman.

3Q CC all out for 51 including 3 ducks, special mention must go to E Xtra who was 3Q's highest scorer posting 16 runs.

It was decided that Finger Watson & Nemo Collins was to open the batting - as pace was need between the stumps!! Nemo was bowled after a single boundary, & Fingers was being pegged back by some quality bowling from 3Q. Taz decided on some left hand action & brought Growler Brown on to confuse the bowlers.

Fingers & Growler guided the Jedi to an easy victory with 5 overs left to play. Fingers opened & carried his bat for 8. He was like a whippet between the stumps supporting Growler's fine edge play. Growler amassed a 30 not out – fine work!

~~Darth Moore~~ A certain Jedi was grumbling about Fingers cr*p score, but Finger's replied that at least he had batted the Jedi to victory unlike the said Jedi player the week before!

All that was left was a trip to the pub to celebrate, it was noted that the 3Q dressing room door was firmly shut after the match - Ha Ha!

JEDI JABBER

THE CORINTHIAN

OVERSEAS MATT IN NO CASH SLUR

The Corinthian can exclusively reveal that Overseas Matt turned up to Willy's without his kitty money, writes Carp Moore.

When asked to contribute five English pounds towards the kitty, OSM stated, via his interpreter, that 'I only brought a tenner out with me, I thought that would be enough.' He then pulled out of his pocket a low rider bus pass, one single sprig of heather and some clothes pegs, claiming that these items were of equal value.

Matt's sworn enemy

The Corinthian understand that this is just the latest in a series of bizarre cultural misunderstandings that have befallen the Hull born gypsy since his cross-bridge immigration to Cleethorpes in the Autumn of 2007.

Splash! OSM was seen doing his washing in the River Freshney whilst simultaneously strangling a swan, claiming that *'it feed family for whole month.'*

Matt's actual cash

Sniff! OSM has been spotted hanging around the ladies toilets on the seafront seventeen times by Uncle Daz, who has been keeping a similar vigil inside the gents loo, and on occasion has actually attempted to throw a sack over their heads and abduct said women ('In my country, if woman over 80 kilos, man have right to take,' said OSM.)

Swipe! OSM was caught drinking from the toilet in Willy's, claiming that he 'never seen water so brown in his country'. This followed a strange hour for Matt which saw him secrete six egg mayonnaise buns into his pockets, a Becks pint glass down his trousers, and several beer mats into his shoes.

This phenomenon has not been seen since the days of ex-coach Holliday, who was renowned for not ordering food because he was 'on a pasta diet,' only to then eat left over pizza in Capri, sometimes off the floor. However, as it transpired, the Ex-Coach had a pizza eating disorder and eventually had to stop coming out to try and curtail his cravings in order to stay below the magic 100 kilo mark, so we won't dwell on this matter.
