Pat Bonner		14-May-78	Free	Free Agent	Jock Stein	GK	17/3/79 -v- Motherwell	24/5/60	25		Keadue Rovers	First choice GK all season. Jock Stein's last signing for the Club and stalwart Republic of Ireland GK. Strong and commanding all season; had been playing with back pain for over three months and finally called it too bad after the Dundee Utd game; spent time out working with a fitness coach and came back stronger.
Peter Latchford		14-Jul-75	Free	West Bromwich Albion	Jock Stein	GK	22/2/75 -v- Hibernian	27/9/52	32	July '86	Finn Harps Birmingham (GAA), Sutton Coldfield, South Birmingham Boys	By this time very much the number 2 keeper but still a decent force in goal and when called on took over between the sticks whilst Packy was out with back problem - indeed held the place till the losing Scottish Cup QF to Hibernian. Wanted to stay on with the club and waited for a deal
Willy McStay		03-Aug-79	Free	Celtic Boys Club	Billy McNeill	DF - RB	2/4/83 -v- Motherwell	26/11/61	23		Hamilton Thistle	Previously with Hamilton Thistle; was a youth at the club under Jock Stein and was brought into the first team by Billy McNeill in his first spell as manager; came thru the club from the Boys Club and S-Form and hailed as a great prospect; never made a starting position his own but was always ready; this season he was Danny McGrain's understudy getting games when McGrain was out; he was also brought on at time with McGrain moving to LB and Burns moving into his more accustomed midfield role; he could also play as a sweeper.
Danny McGrain		01-May-67	Free	School	Jock Stein	RB	26/8/70 -v- Dundee Utd	1/5/50	35	July '86	None	The veteran right back, Celtic and Scotland great and captain of the side. This was to be Danny's last season at the club retiring at the age of 35 on the 28/5/86
Peter Grant		27-Jul-82	Free	Celtic Boys Club	Billy McNeill	MF	21/4/84 -v- Rangers	30/8/65	20		None	Not that long with the team when it boiled down to it but the work horse if not the most talented player whose job it was to win ball and break up attacks then feed it to the ball players. Was the regular No6 for most of the season losing out only at the end of the season when Murdo MacLeod was switched infield. After the 14th December Hay experimented by using Peter at RB.
Derek Whyte	★	14-May-85	Free	Celtic Boys Club	Billy McNeill	CD, LB, Sweeper, DMF	22/2/86 -v- Hearts	31/8/68	16		Cumbernauld Colts, Hamilton Thistle	Scotland U18 youth international - played to rave reviews for Scotland in Dublin prior to his debut U18 player recently given a full pro contract after making his way through the boys club; after good appearances for the youth side he was given a full debut at left back and held his place from March to the end of the season winning a medal in the process; looked to be an exceptional talent and a new successor to the role of McNeill in the centre of defense. Played at all levels this season - Youth, reserve, First team.
Tommy Burns		23-Aug-73	Free	Celtic Boys Club	Jock Stein	MF / WG / DF	19/4/75 -v- Dundee	16/12/56	28		St Mary's Boys Guild, Eastercraigs Boys Club, Maryhill Juniors.	Could play in defense, as a wide man or an out and out attacker - another Celtic great and a mainstay through the season. In pre-season Hay experimented with TB as a left back and he continued to play him in this position for much of the season at No 4. He did move him about and he commonly swapped positions with Murdo but this tactically gave Celtic a further edge with the chance to break fast on the left hand side. With Archdeacon in front of him it gave excellent attacking possibilities. It wasn't until later in the season that he was moved back to his more common midfield role.
Roy Aitken		05-Jun-75	Free	Celtic Boys Club	Jock Stein	CD / DMF	24/9/75 -v- Stenhousemuir	24/11/58	26		Ayr United Boys Club	A stand out as a leading role model in the team - badgered, hectorated and got stuck in whether playing as a defender or as a holding / defensive midfielder. Played every game this season.
Pierce O'Leary		29-Nov-84		Vancouver Whitecaps	Davie Hay	CD	30/1/85 -v- Hamilton Academicals	5/11/59	25		Philadelphia Fury, Shamrock Rovers	Bought by Davie Hay to stem a leaky defense; arrived unfit and injured the previous season. He offered possibilities such as it allowed the release of Aitken further forward. He missed most of the first part of the previous season with a pelvic injury - a legacy from his time with Vancouver. Started this season with a chance to prove his worth. Didn't help his cause when he missed the penalty against Hibernian in the League Cup which put Celtic out. He got back in when McGugan broke his foot but then was out himself injured after the St Mirren game in February and again at the tail end of the season for the run in.
Tom McAdam	★	06-Sep-77	£60k	Dundee Utd	Billy McNeill	CD / Sweeper	10/9/77 -v- Rangers	9/4/54	31		Dumbarton S Form, Weir's Recreation, Clydebank Colts, Weir's Amateurs	Had fallen out of No1 pick as a centre half but started the season in place, losing out his starting place to Paul McGugan after the League Cup defeat to Hibernian. When McGugan later broke a bone in his foot he failed to win the place back losing out to Ronnie Coyle then Pierce O'Leary. On the face of this evidence he asked for a transfer and was told he would be released on a free if he could find another club on 26th February. He left the club at the end of the season. He had a trial with Stockport County in July 86 and Hamilton Academicals before joining Motherwell as a player / coach in October '86. In June '93 he returned to Celtic as a coach
Paul McGugan		09-Oct-80	Free	Eastercraigs Boys Club		CD	28/4/84 -v- Hibernian	17/7/64	21		None	Signed an S-Form at 14; This was Paul's breakthrough season; scored a goal against Rangers but broke a bone in his foot; came back quickly and generally had an excellent season if prone to lapses at times.
Davie Provan	★	18-Sep-78	£100k	Kilmarnock	Billy McNeill	RW / Outside Right	23/9/78 -v- Partick Thistle	8/5/56	29		Port Glasgow Rovers	An old fashioned winger and Rangers supporter who had tormented the hell out of Celtic when at Kilmarnock; since his signing by McNeill he had proved to be a great acquisition and was a main supplier of balls from the right. He had spent pre-season in Australia playing games for Sydney Olympics to maintain fitness after missing out on a good number of games the previous season. This season he was cut down by a viral attack after the November Rangers game and this kept him out for the rest of the season and would prove to be the reason for ultimately his retirement from the game with MS. His loss meant that Archdeacon was pitched in more than Hay wanted.

Name	Squad No.	Date arrived	Fee	Club From	Signed By	Position	Debut	D.o.B.	Age	Contract	Previous Clubs	Notes
Paul McStay		20-Feb-81	Free	Celtic Boys Club	Billy McNeill	CMF	23/1/82 -v- Queen of the South	22/10/64	20		None	Paul had only been in the team a few seasons but was already a highly valued player and professional. He governed the middle of the park playing balls all around and could also chip in with well taken goals and great free kick taker. He started the season poorly by his own standards but was soon back on form and only missed a few games thru the season.
Mo Johnston		11-Oct-84	£400k	Watford	Davie Hay	ST	13/10/84 -v- Hibernian	30/4/63	22		Partick Thistle	A player that had all the skills to be a great star and a great goal scorer; he was pipped at the post by McClair this season to be the top goalscorer but contributed 23 class goals through the season and some of his play was quite outstanding; however by the end of the season he was in dispute with the club and was looking to be off.
Murdo MacLeod		03-Nov-78	£100k	Dumbarton	Billy McNeill	MF	4/11/78 -v- Motherwell	24/9/58	26		Glasgow Amateurs, Partick Thistle Youth	A determined midfielder who had raised the team since his arrival who could win ball, tackle and pass. A left footer with a tremendous shot. Had an outstanding season though he needed time out to overcome a pelvic injury which was done by rest and careful exercise with the new Fitness Trainer.
Brian McClair		20-Jun-83	£75k	Motherwell	Billy McNeill	ST	24/8/83 -v- Brechin	8/12/63	21		Aston Villa apprentice,	Was signed to replace Charlie Nicholas and really became a player this season becoming top scorer; he fell out with Hay in November when he was dropped stating that he wanted away. After calming talks things got back to normal but after this there was always the belief that he would leave. He was used both as an out and out striker and in a more withdrawn midfield role this season. Came into a rich run of form at the end of the season which helped win the League.
Alan McNally		12-May-84	£95k	Ayr Utd	Billy McNeill	ST	11/8/84 -v- Hibernian	10/2/63	22		None	Had been seen little the previous season due to a mysterious back injury and this season was used more off the bench than as a starter with the form of Johnston and McClair and the arrival of Mark McGhee.
Owen Archdeacon		20-Aug-82	Free	Gourock Utd	Billy McNeill	LW / Outside left	10/4/84 -v- Motherwell	4/3/66	19		Celtic Boys Club	Only his second season as a full time Pro with the club but came with great recommendations. Really came into his own this season and broke through to the first team to become the provider from the left. Was used much more with the loss of Provan to glandular fever and then MS. He was still able to go with the U20 side to the Zurich Youth Tournament at the end of the season
Mark McGhee	★	06-Nov-85	£150k	Hamburg	Davie Hay	ST	9/11/85 -v- Rangers	25/5/57	28		Aberdeen, Newcastle Utd, Morton, Bristol City, Cumbernauld Burgh	Previously a trialist in 1975 but was missed when Jock Stein was injured in the car crash; Came back from an unproductive spell in Germany and not welcomed with open arms by the support. Part of the deal was that Hamburg would also play a Friendly at Celtic Park. His appearances were somewhat limited due to loss of form and minor injuries in the latter part of the season but his strength was a real asset.
Ronnie Coyle	★	10-Jan-79	Free	Celtic Boys Club	Billy McNeill	CD	4/5/85 -v- Dundee Utd	8/8/64	21		None	Gave up University to join Celtic; Had been working his way up through the youth and Reserve sides at the club and was precipitately thrown in as a central defender when Paul McGugan was injured after the brox game. Destroyed his confidence and eventually left. Informed that the club would take any offers for him at the end of the season.
Tony Shepherd		11-Aug-83	Free	Celtic Boys Club	Davie Hay	MF	15/2/86 -v- Queens Park	16/11/66	18		None	Recently signed as a full time Pro and a great prospect; Had played for all the Scotland Youth teams; He was promoted in February to train with the senior squad along with Derek Whyte; he made his debut this season coming on to set up 2 goals against Queens Park when the club trailed. Despite rave reviews whenever he played, he only saw a couple of games.
Paul Chalmers	★	09-Oct-80	Free	Celtic Boys Club	Billy McNeill	ST	19/2/85 -v- Morton	31/10/63	21		Eastercraigs Amateurs	Though he'd been at the club for nearly 5 seasons had only made a debut the previous season; came on against Motherwell and was complimented by Hay but only managed a further 2 sub spots; he went out on loan to Bradford City in late January making 2 appearances there; when the clubs failed to agree a fee he returned to Celtic to play for the Reserves; he left at the end of the season when the club made it known that they would accept any offers for him.
Jim McKechnie	★	27-Jan-84	?	Nottingham Forest	Davie Hay	CD / CMF	11/8/84 -v- Hibernian	5/11/64	20		Celtic Boys Club	Originally an S-Form signing but the S-Form was revoked when his father took the family south for work; played for Scotland Boys in 1979; Nottingham Forest signed him with Clough desperate for his signature; had already made 2 appearances the previous season but this season was very much the Reserve team player; loaned to Norwich from 7/3/86 and told at the end of the season that the club would accept any offers for him. Left and joined Derry City
John Traynor		01-Dec-82	Free	Celtic Boys Club		RB / DF		10/12/66	18		Kilmarnock Boys Club	Former pupil of Irvine Royal Academy; Played U15's for Scotland alongside Tony Shepherd; was a fill in for injured players; was very suddenly transferred on a free to Clydebank where he spent a long time out injured before going again to Ayr Utd where he became a favourite; Retired from professional football end of 89/90 season. Had a testimonial at Ayr on 23/3/01 against Newcastle Utd. Subsequently played Junior football for a while with Kilwinning and Auchincleuch Talbot.
Brian McGee		01-Aug-83		Celtic Boys Club		LB / DF		22/2/62	23		Eastercraigs Boys Club	very little information; joined in 84/85; 88/89 joined Partick Thistle - was with them for a season
Lex Baillie		20-Aug-83		Burnbank Boys Club	Billy McNeill	CD		6/7/66	19		None	Son of an ex-Rangers player.; first played in may 85 in a Glasgow Cup game; gradually proving himself as a solid central defender this season and a first pick for the Reserves.
