There was no relegation at the end of this season and two teams were promoted to make a league of 12 teams for 1986-1987.

This solution was reached after objections and threats of breakaways from other League clubs. The plan was to expand to 12 clubs for 86/87 and 87/8 and at the end of 87/88 3 clubs would be relegated with only 1 promoted to return to a 10 team premier Division.
