Tore knee ligaments in the away leg to Zurich which saw the UEFA exit. Signed a 2-year extension to his contract in November. Subsequently first choice till arrival of his separated-at-birth twin Douglas. Wears his Hoopy Heart on his sleeve.

Clearly getting on and not as mobile or quick as before.

Wim Jansen	Defender	13/9/97 -v- Motherwell	5-Jun-68	Jul '01 / 30	Aarhus, Brondby	Signed by Jansen; second season at the club and a mixed season ranging from effective central partnership with Stubbs to sleepwalking thru games; first player to break down post WC with a back injury sustained during France '98; much affected by injury this season which would eventually lead to premature retirement; Left club 1/8/00; Retired w toe injury; a very faithful Club servant who went out of his way to represent the Club at home and abroad. Now Co-Manager of Danish side Aarhus. Has since engineered the long-term loan of Liam Miller and Mick Doyle to Aarhus.
Alan Stubbs	6	10-May-96	£3.5 mill	Bolton Wanderers	Tommy Burns	Centre Half	10/8/96 -v- Aberdeen	6-Oct-71	Jul '01 / 27	None	Had a poor first season 96/97 his debut against Aberdeen conceding a penalty and getting sent off. Required a cartilage operation prior to 97/98. A better 97/98. Subject of a £4m bid from Everton and Blackburn Rovers in the closed season. Started 98/99 under Dr Jo well but injury and flaws gradually shown up with the depletions to the squad and generally poor team season. Linked to Derby early in the season. Linked with a bids from Leeds Utd and Aston Villa in February after stating that he would never get an England call-up whilst he played in Scotland. Finally admitted he would prefer a move south with his wife not settling in Scotland. Left out of the Dundee Utd game Villa upped their bid to 4mill then 4.25 which failed to match the valuation of 6.5mill placed on Stubbs, much to his chagrin. A £5mill bid was received from Liverpool in late March. Cut a deal with MacDonald which would allow him to leave, probably to Everton at the end of the season for 4.5mill.
Henrik Larsson	7	25-Jul-97	£650k	Feyenoord	Wim Jansen	Striker	3/8/97 -v- Hibs	10/9/71	Jun '00 the Jun'04 / 26	Hogabog BK, Helsingborg BK	Acquired thru personal knowledge of Wim Jansen the previous season and had had to take Feyenoord to the Dutch courts to get out of his contract. Was played as a midfielder at Feyenoord. Gifted a goal to Hibs in his first game but never looked back after that and ended the season the top scorer as he would all the time at the club. This season started well and got better. He was linked to a move to Sheffield Wednesday but said in no uncertain terms that he intended seeing out his contract at the Club and was happy in Scotland. Signed a new deal till '04 in April. Players Player of the Year. Scottish Football Writers PotY.
Craig Burley	8	24-Jul-97	£2.5 million	Chelsea	Wim Jansen	Midfield	26/7/97 -v- Parma	24/9/71	Jun '02 / 27	None	Originally from Ayr and taken on as a trainee at Chelsea; Signed the previous season by Jansen as defensive midfielder player, the role he was asked to do for Scotland, but used predominantly as an attacking midfielder in the role that McStay had; gradually assumed the strong character on the field and was captain with Boyd missing; had a very successful previous season with the club in which he was shortlisted for Player's Player of the Year award and won SFA Player of the Year. was the subject of a £3.5 mill bid from Sheffield Weds. prior to the season's start and again in late August during the bonus dispute, of which he was one of the leaders. Villa allegedly bid £4mill for him in early September followed by Leeds bidding £5mill in February.
Harald Brattbakk	9	11-Dec-97	£2.3 million	Rosenborg	Wim Jansen	Striker	13/12/97 -v- Hearts	1/12/71	Jun '02 / 27	Bodo/Glimt	Chased and bought by Jansen after doing well with Rosenborg . Took some time to get started and eminently commenced his reputation of being unable to hit a barn door till putting 4 going on 7 past Kilmarnock in the League. His poor form continued with him being dropped at times. With the arrival of Viduka he was rumoured to be returning to Rosenborg. In mid December Derby bid 1.3million for him the club held out for 2 mill. Then linked to a move to AEK.
Phil O'Donnell	10	09-Sep-94	£1.75 mill	Motherwell	Tommy Burns	L Wing / Midfield	10/9/94 -v- Partick Thistle	25-Mar-72	Jun '99 / 26	None	"Iron Man" PoD was Tommy Burns first signing; the previous season was spent more often than not on Brian Scott's physiotherapy table; this season started as ever on the injury list; was the subject of a bid from Barnsley in August but told that for some reason he was not for sale; offered another deal post-Dundee in December which was again rejected; was linked with West Ham but immediately injured his knee; signed a pre-contract agreement with Sheffield Wednesday in March after negotiations with Celtic ground to a standstill.
Morten Wieghorst	11	08-Dec-95	£600k	Dundee	Tommy Burns	Midfield	9/12/95 -v- Hibernian	25-Feb-71	Jul '99 then Jun '02 / 27	Lygby	His fourth season with the team. Signed a new 1 year deal after France '98. Unfortunately injured in the first game at Kilmarnock. What was thought at first to be a simple injury turned out to be a cruciate injury which kept him out for much of the season only really coming back for the Cup Final at the end of the season. Worked thru the season to recover from the injury and went to Spain in the mid-winter break. Started negotiations on a new contract in late February and signed a new deal to '02 in May with Everton sniffing around if he hadn't

Tommy Johnson	12	27-Mar-97	£2.4 million	Aston Villa	Tommy Burns	Striker	5/4/97 -v- Raith Rovers	15-Jan-71	Jun '01 / 27	Notts County, Derby County	Signed as a back-up striker by Tommy Burns in the latter part of the season for £2.4 million from Aston Villa on a 4 1/2 year deal. Tommy Burns last signing to offset the loss of van Hooijdonk. Unfancied by Jansen and injured for most of the previous season otherwise would have probably been sold. Started this season still recovering from injuries and then tore the knee apart again in a pre-season friendly in Holland. This required a complete knee rebuild.
Simon Donnelly	13	27-May-93	Free	Celtic Boys Club	Graduated to First Team	Striker / Midfield	19/3/94 -v- Hibernian	1-Dec-74	Jun '99 / 24	Clyde Boys Club, Queens Park (as amateur).	Son of Tom Donnelly of Rangers and Motherwell; previously w Queens Park Boys Club, then Celtic Boys Club and onto the groundstaff (7/92) before joining the team, date is for full team signing; also listed as playing for Canberra Cosmos 1/8/92 - 27/5/93 - which may be a loan out down under; seemed to offer great potential particularly in his early career which was never fully fulfilled. previous season he had gradually worked his way into Jansen's team and was out of contract at the end of this season; did nothing to injure himself to the fans with his hefty demands for a new contract and rejected the initial offer put to him; linked to Sheff Weds in early December; was put on the transfer list at the end of the year; signed a pre-contract agreement with Sheffield Wednesday in March and subsequently went on a Bosman to them with PoD when out of contract.
Paul Lambert	14	07-Nov-97	£1.7 million	Borussia Dortmund	Wim Jansen	Midfield	8/11/97 -v- Rangers	7/8/69	Jun '01 / 29	Linwood Boys Club, St. Mirren, Motherwell	New but late arrival the previous season with much alleged conflict with Jock Brown. This was exacerbated this season with the publishing of his autobiography and the dispute between them reached Boardroom level.
Darren Jackson	15	12-Jul-97	£1.25 million	Hibernian	Wim Jansen	Striker	23/7/97 -v- Inter CableTel	25/7/66	Jul '00 / 31	Meadowbank Thistle; Newcastle Utd; Dundee Utd.	Signed the previous season and almost immediately out with hydrocephalus. On recovery he found it hard to get back in the side and became a target for fans anger. Went to France '98 w Scotland and looked to do better this season. Failed to command a starting position and by November was linked to a move to Wolves. This fell thru when McGee was sacked from Wolves. Then went on a three month loan to Coventry in November. In January was linked in a 500k move to the Chinese side Dalian Wanda and went to look at the setup. Then linked to Nottingham Forest. Sold on 26/3/99 to Hearts for £300k.
David Hannah	16	23-Dec-96	£650k	Dundee Utd.	Tommy Burns	Midfield	28/12/96 -v- Dunfermline	8-Aug-73	Jun '01 / 25	Hamilton Thistle	An unwanted signing and a poor player who to everyone's surprise was regularly used by Burns. Unfancied by Jansen the following season and played far less. A bid came in for the player in December and eventually returned to Dundee Utd. 5/2/99 for £500k.
Enrico Annoni	17	20-Feb-97	£300k	AS Roma	Tommy Burns	R Back	1/3/97 -v- Hearts	10-Jul-66	Jun '00 / 32	Torino, Como, Sambenedettese, Seregno	Contract to the end of the season; not an automatic start later but a good squad player; carried on in the squad under Jansen the previous season and got more starts than before. This season under Venglos was broken and littered with injuries as well as short team appearances. Was linked to a loan move to Southampton then a 300k bid which fell thru due to the indecision on whether Stubbs was leaving. At the end of the season he chose to retire when there were no takers for his services..... and choosing to retire to Italy finally when Barnes arrived. Always pulled out his best against Rangers particularly against Laudrup.
Tosh McKinlay	18	02-Nov-94	£350k	Hearts	Tommy Burns	Left Back	5/11/94 -v- Dundee Utd.	3-Dec-64	Jun '99 / 34	Dundee	Spent the previous season in the wilderness not at all fancied by Jansen and after a bust up with Larsson on the training ground Jansen wanted him out; was loaned to Stoke for some of the season. Went to France '98 even so with Scotland and looked to get back into the team. Used this season with injuries to the back line but linked to a £200k move to Hibs in November at a time when injuries to the defense were high. The move fell thru. Turned down a loan move to Utrecht in late November. Came into the team in Jan/Feb with injuries and then stated that the season would be his last at Celtic and that he intended to move on. Linked with a move at the end of the season to Motherwell.
Malky MacKay	19	06-Aug-93	Free	Queens Park	Liam Brady	Centre Half	13/5/95 -v- Dundee Utd	19/2/72	Jun '99 / 25	None	Previous season was very much out of favour with Jansen and languished in the Reserves. Jansen refused to let him go even so. This season he started a few games but was clearly not in full contention; when the call came to go to Norwich he grabbed his chance; overall 145 appearances, 7 subs and 6 goals
Regi Blinker	20	06-Aug-97	Swap deal + £3 million for Paulo di Canio	Sheffield Wednesday	Wim Jansen	Left Midfield	9/8/97 -v- Berwick Rangers	4/6/69	Jun '00 / 28	Den Bosch; Feyenoord	Arrived the previous season and bore the tag of "the player we got for Di Canio"; previous season he had been pretty dire and had been out with a shoulder injury. Looked to get back in form this season.
Stewart Kerr	21	27-May-93	Free	Celtic Boys Club	Graduated to First Team	GK	12/10/96 -v- Motherwell	13-Nov-74	Jun '01 then Jun '03 / 24	Mill Utd Boys Club; Hibs S-Forme	Previous season had been a disastrous one for Kerr spending most of the season out injured with knee and thigh injuries. Sought by Sheffield Weds. during the closed season. Expressed his desire to become first choice GK and when unable to displace Gould by mid-August sought a transfer. Was linked to a move to Brescia but nothing came of it. Despite failing to win his place as starting GK and continuing injuries he signed a new 2 year deal in November. With Gould's injury in Zurich was back in line but then damaged his hand in training meaning McCordichie being drafted into the team for the Dundee game in November. Linked to a £1mill move to Chelsea when fit and playing for the Reserves again but put on hold due to lack of cover for Gould. Became the second longest serving player after Tom Boyd content to sit on the bench finally leaving 23/8/01 for Wigan.
Brian McLaughlin	22	07-Jul-92	Free	Giffnock North AFC	Liam Brady	R Wing / Midfield	6/11/93 -v- Partick Thistle	14-May-74	Jun '99 / 24	None	Was on the groundstaff 6/90 prior to full signing; signed a new 3 year deal to 6/99 on 24/7/97; Played Senior and Reserve team football; previous season had been a disaster playing Reserve team football eventually going on loan to Airdrie where he immediately dislocated his shoulder seriously and started this season still recovering. Bid for £250k came from Bradford for him in July and another of £300k from Bury in September. Livingston, then of Div2 wanted to take him on loan in December. Released from his contract on 1/4/99 and signed a short term deal to the end of the season with Dundee Utd.
