

The Squad - '02 - '03  
(arrived this season)

Third Season under Martin O'Neill  
(departed after start of season)

Name	Squad No.	Date arrived	Fee	Club From	Signed By	Position	Debut	D.o.B.	Contract / Age (beg.seas)	Previous Clubs	Notes
Jonathon Gould		05-Aug-97	£20k	Bradford City	Wim Jansen	GK	9/8/97 -v- Berwick Rangers	18/7/68	June '03 / 34	Clevedon, Coventry, Halifax Town, West Bromwich Albion, Gillingham	Last season was thought to be moving at the start of the season; With the arrival of Hedman his position was possibly through his strength lay with his off-field activities with the Celtic Media team. Injuries to both Hedman and Douglas though saw him get games. Left the Club to go to join Craig Brown at Preston in January and the promise of first team football there. Did well in his first season but frequently found out as time went on. Also said to be the 'Deep Throat' of the dressing room leaking to the papers.
Tom Boyd	2	06-Feb-92	£250k / swap for Tony Cascarino	Chelsea	Liam Brady	Left Back	8/2/92 -v- Airdrie	24/11/65	June '03 / 36	Motherwell	Signed a final 1 year deal even though he appeared to be on his way. Well past it and good money thrown away. Awarded an MBE in the closed season. Will be interesting to see how often he plays.
Momo Sylla	3	01-Aug-01	£650k	St. Johnstone	Martin O'Neill	Defender / Midfield	18/8/01 -v- Livingston	13/3/77	June '06 / 25	Creteil, Le Havre, Le Mans (on loan)	Had a few tidy outings which did his cause no harm at the tail end of the previous season. Should feature more this season. Pretty good showing in the pre-season Friendlies. Performed well and with the inclusion lacking from Agathe and was unlucky to be dropped with Agathe's return from injury. However later showings have proved the essential 'fanny' nature of his game and he should be no more than a squad player.
Jackie McNamara	4	04-Oct-95	£600k	Dunfermline	Tommy Burns	R Back / Wingback / Midfield	4/10/95 -v- Falkirk	24/10/73	June '04 / 28	Gairdoch United	Generally was used for his sense than any degree of speed and as a sub for injuries last season. Never really looked embarrassed when he was picked.
Joos Valgaeren	5	28-Jul-00	£3.7 million	Roda JC Kerkrade	Martin O'Neill	Defender	30/7/00 -v- Dundee Utd	3/3/76	June '05 / 26	KV Mechelen	Spent a relatively long period out injured last season first early (knee); then injured again (groin) and out for longer. Then required a hernia op x2. Was linked with a move towards the end of the season when out injured and again just before pre-season to Borussia Dortmund. Perhaps recent fatherhood will see him staying, hopefully. Has proved the most consistent defender during the season with Mjalby out injured. Indeed at present he looks to be playing the best of his career so far.
Dianbobo Balde	6	20-Jul-01	Free due to Toulouse being bankrupt and not paying anyone thus players were free.	Toulouse	Martin O'Neill	Central Defender	8/9/01 -v- Dunfermline	13/10/75	June '05 / 26	Marseille, Mulhouse, Cannes	New signing last season. £900k to Toulouse originally but this became a free. Overall last season was reasonable but relies too much on his size rather than good defending. Woeful distribution that will need to improve. However still a worthwhile acquisition. His defending ability and superb ability in the air have stood the team well but his distribution and penchant for doing Stubbs long balls needs to be stopped or made much more accurate than at present. As the season has progressed he has shown a greater desire to get forward which has been encouraged by O'Neill. Still prone to fresh air sweeps and dire distribution at times but still a rock to be got through.
Henrik Larsson	7	25-Jul-97	£650k	Feyenoord	Wim Jansen	Striker	3/8/97 -v- Hibs	10/9/71	June '05 / 30	Hogabog BK, Helsingborg BK	Appeared a little off the pace last season but still was easily top scorer. Retired from international football after the WC. Still the best footballer in Scotland by a long way and has continued in the goal-scoring vein of old with the team relying on his ability to put the ball away unerringly. His season's activities were suddenly curtailed with the double jaw break sustained against Livingston on 9/2/03 ruling him out for 6 weeks through a crucial part of the season.
Alan Thompson	8	01-Sep-00	£2.75 million	Aston Villa	Martin O'Neill	Midfield / LH wing	5/9/00 -v- Raith Rovers	22/12/73	June '05 / 28	Bolton Wanderers	A poor start to 01-02 with an early injury however gradually got better thru the season. Poor disciplinary record let him down with two periods of suspension. Finished last season on a high to be a much improved player. Picked up a bad ankle injury in the pre-season Friendly against Ajax. On his comeback he has looked half the player he was but still offers something on the left side. Gradually got back into his stride and with indecision on the Lennon/Lambert front began to be used more inside. Still a yellow card waiting to happen a received a 3-match ban exceeding the points limit again.
Chris Sutton	9	11-Jul-00	£6million	Chelsea	Martin O'Neill	Striker	30/7/00 -v- Dundee Utd	10/3/73	June '05 / 29	Norwich, Blackburn Rovers,	An excellent previous season though a little injury prone which is perhaps the worrying aspect to Sutton's future and his progress. His pre-season start was excellent and confirmed the generally held opinion that he should be playing up front all the time. First pick to partner Larsson up front but as usual with injuries, suspensions and the need to accommodate Hartson he was played all over again.
John Hartson	10	01-Aug-01	£4 mill rising to £6 mill	Coventry	Martin O'Neill	Striker	sub 4/8/01 -v- Kilmarnock full 11/8/01 -v- Hearts	5/4/75	June '05 / 27	Macclesfield Town, Luton Town, Arsenal, West Ham Utd., Wimbledon,	New signing last season. Second top scorer with 24 goals in his first season - not to be sneezed at. Always tries but it sometimes doesn't look like it. Has gradually become a fans favourite thru his ability to come off the bench and score when needed. Absolutely trying his hardest to win an outright starting position which became more regular as the season progressed with Sutton dropping back either to midfield or as a hole player. A scolding match when replaced against Dundee Utd. in the CIS Semi saw him subsequently dropped but Larsson's injury and good international form saw him immediately reinstated
David Fernandez		31-May-02	£1.25mill	Livingston	Martin O'Neill	Midfield	friendly 6/7/02 -v- Shelbourne	20/1/76	June '07 / 26	Airdrie, Toledo (loan), Deportivo La Coruna, Sevilla, Deportivo La Coruna B,	Signed after a long rumour that he was on the way. Had a good season last season with Livingston and he will be expected to come up to scratch in the midfield role. So far has been used very sparingly for unknown reasons and when he has come on has shown a raw ability which was quite different from what he showed with Livingston. He also looks to have put on the pounds and to be no more than a squad player - a definite regression.
Paul Lambert	14	07-Nov-97	£2.0 million	Borussia Dortmund	Wim Jansen	Midfield	8/11/97 -v- Rangers	7/8/69	June '05 / 33	Linwood Rangers Boys Club, St. Mirren, Motherwell	Last season spent much more time getting forward. Has committed himself to the Club and signed a new contract till '05. A natural captain. Voted PPOY last season. The worry is that his age and frequency of injury will curtail his mature involvement and has started to show all the signs of age creeping up on him. This was admitted by O'Neill and the slowness of the midfield when both Lannon and Lambert play meant change was needed. Lambert was invariably the player dropped with Henrik taking the captaincy.
Bobby Petta	15	10-Jul-99	Bosman	Ipswich Town	John Barnes	L Midfield / L wing back	7/8/99 -v- St. Johnstone??	6/8/74	June '05 / 28	Feyenoord	Last season's high in Amsterdam was followed by the inevitable return to mediocrity. Petta seems to have returned to his no confidence "fall over" mode and lost any speed he had. In March '02 he signed a new deal to keep him at the Club till '05 even though offered 2 mill by Bordeaux. Has fallen out of favour with O'Neill and played very little first team football with a few unsubstantiated rumours about his off-field habits flying around.

The Squad - '02 - '03  
(arrived this season)

Third Season under Martin O'Neill  
(departed after start of season)

Name	Squad No.	Date arrived	Fee	Club From	Signed By	Position	Debut	D.o.B.	Contract / Age (beg.seas)	Previous Clubs	Notes
Ulrik Laursen	16	01-Aug-02	£1.5mill	Hibernian	Martin O'Neill	DF	Friendly 7/8/02 -v- Tottenham Full 17/8/02 -v- Dundee Utd	28/2/76	June '06 / 26	Odense	Generally left sided defense and probably bought after the injury to Thompson in the pre-season ruling out some strength on the left side. So probably a squad acquisition but due to injuries he got a good run in defense and has proved good going forward. Strangely favoured by O'Neill over Craigne given Laursen's propensity to fall asleep at times. He does add to the attacking options though but he was bought first and foremost as a defender and is shown up too often.
Didier Agathe	17	01-Sep-00	£50k	Hibernian	Martin O'Neill	RH Midfield / R wing back	2/10/00 -v- Derry City	23/6/79	June '06 / 23	Montpellier, Raith Rovers,	Has never really come back from the injury against Hearts last season. Really needs to consolidate the speed of last season with a better crossing ability and to be more liable to get forward and run into spaces. Time out with injury again and has been woeful on his return though appears to hold pictures of O'Neill compromised as MON loves him. A blinkered view of his ability has seen him play again and again. Lacks crossing ability and shooting skill and now commonly fails to beat his man.
Neil Lennon	18	08-Dec-00	£5.75 million	Leicester	Martin O'Neill	MF	10/12/00 -v- Dundee	25/6/71	June '05 / 31	Manchester City, Crewe Alexandra	A consummate professional on the field and a pishhead off; the signing that pulled the midfield together but sloooowww and a lover of the 15ft pass. Ought to be able to contribute a few goals but appears to not see that as a role. Required a knee op. in the closed season and missed early pre-season and has since looked overweight and even slower. Made a serious attempt to lose weight in the winter close down and looked better thereafter. Needs to start showing by performance again.
Stilian Petrov	19	29-Jul-99	£2.8 million	CSKA Sofia	John Barnes	Midfield	15/8/99 -v- Dundee Utd.	5/7/79	June '05 / 23	None	If he can overcome his ability to scuff every ball and be a lot more consistent than the hit and miss season of 01/02 then 02/03 should be his season. He ought to come good or he might be one for the taxi queue. His ability to come forward fast from midfield to back the strikers has been excellent and he is having a somewhat golden period though he tends to fade in and out of games. One hopes that recent fatherhood will spur his game. Continued re-contract talks appear to be crippling his style too.
Robert Douglas	20	16-Oct-00	£1.5 million	Dundee	Martin O'Neill	GK	12/11/00 -v- St Johnstone	24/4/72	June '06 / 30	Livingston	Last season he began to show more command of his area and had a good run in the European games. Challenged for the first team GK spot with Hedman's arrival. Unfortunately his early appearances were pretty dire reaching a nadir in the first OF game where he gave away two goals. Luckily Hedman was injured so he has retained his place then required a double hernia op which kept him sidelined whilst Hedman made a rare injury-free run. Returned for the game against Stuttgart.
Magnus Hednan	21	01-Aug-02	£1.5mill	Coventry	Martin O'Neill	GK	Friendly 7/8/02 -v- Tottenham Full 17/8/02 -v- Dundee Utd	19/3/73	June '06 / 29	AIK Stockholm	Signed in competition with Espanyol though we offered much more than them. Signing to pressurise Douglas who had looked less than spectacular in pre-season. Nickname of Mr. Bionic in Sweden. Immediately lost that tag when he became a long term injury with a calf tear and began to look as though he was made of glass.
David Marshall	22		Free	Celtic Boys Club	Martin O'Neill	GK	Friendly 8/10/02 -v- Wycombe Wanderers	?	/ 17	None	U18 & U21 GK; a fancied player and has been brought in to the first team setup at times. With injuries to Hedman and Douglas and Gould's departure he played in the LL testimonial against Feyenoord. Certainly one for the future. Made the Scotland U18 squad in November.
Stephan Bonnes	22	28-Jul-99	Bosman	FC Mulhouse	John Barnes	Midfield / Striker	13/7/99 -v- Ham Kam	26/2/78	Jun '02 / 23	None	Barnes and Dalglish super-signing. Went from No-Pay-for-Playing at Mulhouse to No-Playing-for-Pay at Celtic. Since signing has played U21 footie. Yet to make first team appearance in regular season. This season started as U21 Reserve. Who is he? The international man of mystery and one-time night club owner. Likely to be off-loaded very soon as contract was up at the end of last season. Marshall now has his squad number. Went on trial to Dundee Utd in January but given short shrift by McCall there.
Stanislav Varga	23	04-Feb-03	Free	Free Agent	Martin O'Neill	Defender	?	8/10/72	Jun '03 / 30	Sunderland, West Bromwich Albion (loan fr. Sunderland), Slovan Bratislava, Tatra Presov, BSC Bardejov	Slovak freed by Sunderland 22/5/02; When he came on trial he said he had a deal to go to Bolton which never came off; subject of an enquiry into his signing to Sunderland; after a week's trial was signed on a short term deal to the end of the season subject to a work permit. This was awarded but then his registration was held up by the English FA. A short-term deal to stiffen the defence with the absence of Mjallby. A defender straight out of the Martin O'Neill mould.
Colin Healy	24	01-Aug-98	Free	Celtic Boys Club	Graduated to First Team	Midfield	2/5/99 -v- Rangers	14/3/80	Jun '03 / 22	Ballincollig	Did well enough at Coventry on loan last season to get into the senior Republic side but missed out on the WC. Played at the end of the last season and looked much more of a combative midfielder player. His future must be uncertain. Seemingly unfancied by O'Neill. Did well in the pre-season Friendlies. 20/8/02 report that he was on the transfer list when he refused a contract extension and missed the signing date of 31/8 to go to Sunderland. Since then he has been subject of interest from Everton and looks set to go there at the end of the season. Has looked poor in the Hoops who played and there are unsubstantiated rumours about his off-field activities.
Javier Sanchez Broto	26	24-Jan-03	£25k	Livingston	Martin O'Neill	GK	23/2/03 -v- St Johnstone	25/8/71	Jun '03 / 31	Airdrie, Malaga	Bought in the January sales after Gould left and with Hedman and Douglas injury-ridden leaving 18 y.o Marshall as the only keeper available. Did well at Livingston but is not expected to start as first team choice.
Paul Shields		23-Mar-00	£100k	Raith Rovers	Kenny Dalglish	Striker	6/5/00 -v- Aberdeen	15/8/81	June '03 / 21	None	Was loaned to Clydebank and started mouthing about MON. Never likely to feature in the first team and constantly out on loan. And dubious quality. Started new season as Reserve U21. 20/8 went on loan to Queen of the South till January. returned and immediately left on a free to join Clyde on the 31/1/03.
Jon Paul McGovern	27	S-Form 94/95 Pro 96/97 season	Free	Celtic Boys Club	Tommy Burns	R Winger / Wing Back	Friendly 13/5/02 -v- Arsenal Tony Adams Testim.	/ 80	June '04 /	None	Given his first outing in last season's end of term Testimonial for Tony Adams. Should be looking to get into the first team set up this year. 6/8/02 heads south to Sheffield Utd. on trial with a view to a loan period. Loan period extended and did very well there. Came back from loan period in January.
Ryan McCann	28	10-Jul-98	Free	Celtic Boys Club	Graduated to First Team	Midfield	21/5/00 -v- Dundee Utd.	21/9/81	June '04 / 21	None	Signed new two year deal 19/3/02 and will now need to impress. 26/7/02 goes on a 6 month loan to St Johnstone. Returned from loan in January.
