Name	Squad No.	Date arrived	Fee	Club From	Signed By	Position	Debut	D.o.B.	Age	Contract	Previous Clubs	Notes
Artur Boruc	1	12-Jul-05	£200k for 1 year loan + £660k	Legia Warsaw	Gordon Strachan	GK	2/8/05 -v- Armedia Bratislava (CL Q#2)	20/2/80	27	June '06 then June '09	None	Arrived initially on a 1 year loan deal with the option of outright buy at the end of the loan deal. Played a blinder in his first Friendly game. Looks to have all the qualities missing from the goalkeepers of late - confidence, shot-stopping, command of his area, command of his defenders. Signs on to summer '09 in October '05. Quality appeared to fall off somewhat thru the season 05/06 but never enough to let the Bhoys David back in. Had a good WC w Poland though eliminated at first hurdle. Upstairs after being warned by the police for crossing himself at Ibrox though there were other issues ....quelle surprise!!
Paul Telfer	2	20-Jul-05	200k	Southampton	Gordon Strachan	RB	27/7/05 -v- Armedia Bratislava (CL Q#2)	21/10/71	35	June '07	Coventry, Luton	Bought in an attempt to bolster a rocky defense and known to Strachan at both Coventry and Southampton. Strachan's mate. Looks confident on the ball; incredibly slow of pace and very slow to get going; not afraid to get forward which means he leaves HOWLING gaps at the back. As 05/06 progressed he looked more and more the journeyman and stopgap; he was 06/07 looks a defensive liability and keeping Wilson out of his natural position at right back. Gradually got back into it and did not look the worst on the field but basically did what it said on the tin. Injures and dropped to the bench. Does seem to combine well with Nakamura and looks to be giving Wilson a run for Right Back. Will leave at the end of the season. Contract annulled 2/4/07 by mutual consent and returned south of the border to join his family.
Lee Naylor	3	23-Aug-06	£600k + Charlie Mulgrew	Wolverhampton Wanderers	Gordon Strachan	LB	26/13/06 -v- Hibernian (SPL)	19/3/80	27	Jun '09	None	Somewhat decried Wolves left back signed for money and a home developed left back who appeared to have "issues" with the club and Strachan; 1 year extra option; after finding his feet looked a really sound option at left back winning SPL Player of the Month in November. Assured in defense and attack and able to put in a telling ball. A real find.
Mo Camara	3	20-Jun-05	Free (Bosman)	Burnley	Gordon Strachan	LB / LWB	27/7/05 -v- Armedia Bratislava (CL Q#2)	25/6/75	32	Jun '07	Beauvais, Le Havre, Wolverhampton Wanderers	A fast player that likes to get forward and Strachan's first signing from Burnley where he had done well the previous season. Unfortunately noone pointed out that he has no positional sense as a left back though that is what he was meant to be, and very little ability as a defender. Better than the original Momo but not Celtic class. Got better proving he could learn then dropped in favour of Wallace (who was himself dropped afterwards). Jan 06 linked to a move to Derby but stayed on. Appears to be completely out of favour. Made a comeback at the start of 06/07 but almost immediately dropped again. 8/8/06 goes on loan to Leeds Utd for the season but on 10/8/06 signs a three year deal with Derby County - Free transfer.
Adam Virgo	4	20-Jul-05	£1.5mill	Brighton and Hove Albion	Gordon Strachan	RB / CD / ST	20/8/05 -v- Rangers	25/1/83	24	June '09	Exeter City (loan)	Signed on a on a four-year contract; signed out of the blue for a fee of £1.5 million from Brighton and Hove Albion; said to be comfortable in both defence and attack. The Scotland Future Squad cap; Strachan has stated that he expected Virgo to slot in at right-back, a position he started out in 04/05 for Brighton and also to challenge for his preferred role at centre-half. Signed after knee surgery from which he still had to recover. Finally got a start and then disappeared again. Strachan appears to have faith that he will make it and looks set to persevere with him. Linked to Sheffield Utd in the closed season after 05/06. Looks utter rubbish and non-Celtic class. 7/8/06 joins Coventry on a year long loan. Damaged knee ligaments first game there. Returned to recover from injury. Returned to Coventry end of November.
Gary Caldwell	5	01-Jun-06	Free	Hibernian	Gordon Strachan	CD	29/7/06 -v- Kilmarnock	12/4/82	25	June '08	Newcastle Utd, Derby Co. (loan), Coventry City (loan)	21/1/06 signs a pre contract agreement; signed because errrrrrr he was available. Played at centre half throughout the pre-season and looks every bit the liability he did at Hibs though there are some that say he will develop further. Alleged he can also play at being a holding midfielder. Knee injury which required surgery kept him out from November to the New Year
Bobo Balde	6	20-Jul-01	Free. Toulouse bankrupt no players wages paid.	Toulouse	Martin O'Neill	CD	8/9/01 -v- Dunfermline	5/10/75	31	June '05 then June '09	Marseille, Mulhouse, Cannes	It is starting to get to the point when we do not need lunks at the centre of defense but players with ability. And Bobo is getting shown up more and more, particularly after a horrific challenge at Leicester pre-season 05/06. After a badge kissing end to 04/05 he was not expected to stay but all deals fell thru. He is on 28 grand a week and has a hyper-inflated view of his ability. Thought linked to Marseille last season he stayed and played through a stomach muscle / hernia injury. Played his part throughout the season (African Nations Cup notwithstanding) of being a big thing at the centre of the defense. Immediately had surgery in closed season and out for the first 6 weeks of 06/07 allowing the nightmare of Caldwell and McManus to get bedded in. Got a place back with injuries to both McManus and Caldwell in November and looked a liability. Broke his leg against Dundee Utd in December.
Maciej Zurawski	7	08-Sep-05	£2.2mill	Wisla Kracow	Gordon Strachan	ST	16/7/05 -v- Fulham (Fr)	12/9/76	30	June '08	Lech Poznen	The outstanding Polish player of recent times eventually signed after being in competition with the Turkish side Trabzontspor. Has so far failed to fit in to the style that Strachan wants him to play. Unfortunately he was somewhat injury prone in the early part of season 05/06 and never really got going till mid season. To get the best from this player we will need to play to his strengths which we continue to fail to do at the start of 06/07 resulting in Zurawski coming deeper all the time to get involved. Still puts in a lot of work and scores goals. Getting to be on the fans hit-list. Dropped in the New Year or injured allegedly. Linked with a move to Wolfsburg at the end of the season.
Alan Thompson	8	01-Sep-00	£2.75 million	Aston Villa	Martin O'Neill	LMF / CMF / LW	5/9/00 -v- Raith Rovers	22/12/73	33	June '07	Bolton Wanderers	Signed a 2 year contract extension in April '04. His service at free kicks and corners is beyond approach. Since signing his new fat deal has looked less and less the player we need. Poor disciplinary record. However he is reliable and links well with Lennon and the front. Out of the running for an immediate starting spot; interest from other EPL clubs in December '06; pretty much sidelined all season making a cameo comeback towards the end of the season but is almost definite to move on if a buyer can be found. On and off start to 06/07 seemingly sent home from America. Now pretty much a veteran and cameo but will not leave without a fight. Completely sidelined and not even involved in first team training any more. After talks with Leeds left to join them on a free to the eos on 12/1/07
Kenny Miller	9	02-Jul-06	Free	Wolverhampton Wanderers	Gordon Strachan	ST	29/7/06 -v- Kilmarnock	23/12/79	27	June '09	Rangers, Hibernian	Rejected better deals with Wolves and Sheffield Utd; 19/1/06 signs a pre-contract agreement to join at the end of the season on a 3 year deal with the Club having the option of a further 1 year. Alleged salary of £17k/wk; Played in all pre-season games and despite showing a lot of energy failed to score. With the signing of JVoH looks like he might become the fall guy. Puts in tons of energy on the field for little reward. Couldn't score at Clatty Pat's

Name	Squad No.	Date arrived	Fee	Club From	Signed By	Position	Debut	D.o.B.	Age	Contract	Previous Clubs	Notes
Jan Vennegoor of Hesselink	10	24-Aug-06	£3.4mill	PSV Eindhoven	Gordon Strachan	ST	26/8/06 -v- Hibernian (SPL)	7/1/78	28	June '10	Twente Enschede	Signed with Celtic also paying 1 million personal pay-off to get the deal swung; has failed to set the hay on fire in Europe or the Dutch NT of late but is most certainly the big central striker needed since Hartson was let go; extra 1 year option; decidedly injury prone but scores goals and European class when he plays.
Paul Hartley	11	31-Jan-07	£1.10mill	Hearts	Gordon Strachan	AMF / DMF / RMF	4/1/07 -v- Livingston (SC)	19/10/76	30	June '09 + 1yr	Mill Utd Boys Club; Hamilton Academicals; Millwall; Raith Rovers; Hibernian; St Johnstone	Celtic made a bid for him in January '06; a second bid was also rejected. Hartley submitted a transfer request. Signs new contract with Hearts; Fell out of favour at Hearts by objecting to management regime; 31/1/07 signs for Celtic for £1.10mill contract to 09 + 1yr extra option. Arrived, played out of position, looked everything like the second division player he was.
Stephen Pearson	11	09-Jan-04	£350k	Motherwell	Martin O'Neill	LMF / CMF	10/1/04 -v- Ross Co. (SC R3)	2/10/82	24	Jun-08	None	Th forgotten man who appeared to be either injury prone or to have taken the hump big time. Started to be given a role by Strachan 06/07 but will need hard to fight for a place or looks likely to become another Fernandez. Certainly is keen but his keenness appear to be impeding his footballing ability. Rejected a move to Preston in January '06. He still appears to have the wherewithal to fight for a place and has not looked a bad pick whenever he has got on a substitute. Usual on and off start to pre-season and 06/07. Heavily linked to a move to Derby back to Billy Davies. Went onto the transfer list in December. Joined Derby in 11/1/07 January for 750k and a 3 1/2 year contract
Mark Wilson	12	16-Jan-06	£500k	Dundee Utd	Gordon Strachan	RB / LB	28/1/06 -v- Dundee Utd	5/6/84	23	June '10	None	Scotland U21 captain; after much rumour the deal goes through and he signs for £500k on a 4 1/2 year deal. This means that he can effectively replace the senseless Telfer and walk through the holes in the sieve straight into a starting slot at right back. Says he supported the Club as a boy; unfortunately as Telfer is Gordy's mate Wilson had to fit in as another makeshift left back which he did reasonably well. Continued that way at the start of 06/07 and unless Telfer drops off the face of the planet looks likely to stay as a left back - which is unfortunate. Prospects greatly improved with the signing of Lee Naylor. Ruled out with a broken foot thru September and October. Came back and never looked quite as good.
Derek Riordan	14	01-Jul-06	£300k	Hibernian	Gordon Strachan	ST	29/7/06 -v- Kilmarnock (Sub)	16/1/83	24	June '09	Hutchison Vale BC	First acquired on a free pre-contract and then signed to start at the beginning of the season for a nominal fee of £300k. 1 year extra option. Immediately played out of position by Strachan and looks half the player he did with Hibs. Will be lucky to progress from the level which he had at Hibs unless Strachan leaves. Injury ridden at the start and playing Reserve football. Given little chance to get into the team except from the bench or in little meaning games. Looks lightweight.
Evander Sno	15	20-Jun-06	£250k	Feyenoord	Gordon Strachan	DMF	29/7/06 -v- Kilmarnock (Sub)	9/4/87	20	June '10	NAC Breda (loan)	Scouted in Holland and arrived for a cheap price. Stated as having lots of talent but little experience. Was on loan last season to NAC where he played everywhere. Has the look of a jack-of-all-trades master-of-none. The jury's still out whilch he continues to be given sub spots in the first team and play lost-looking football with the Reserves. Received a call up to the full Dutch side. The biggest comment being "still young".
Thomas Gravesen	16	30-Aug-06	£2.00mill	Real Madrid	Gordon Strachan	CMF	9/9/06 -v- Aberdeen (A)	11/3/76	31	Jun '09	Everton, Hamburg, Vejle	Long standing rumour comes to fruition but not before everyone was kept on tenterhooks that he actually would sign. Optional 1 year extra. A series of on and off games -more often off when asked to play right midfield. Looks better when not asked to chase and win ball (when he looks like a headless chicken). The Plain People of Celtic are undecided.
Steven Pressley	17	29-Dec-06	Free	Unattached	Gordon Strachan	CDF	2/1/07 -v- Kilmarnock (H)	11/10/73	33	Jun '08	Hearts; Dundee Utd, Coventry, Rangers, Inverkeithing Boys Club	Signed as he was free and with a lack of central defenders following Balde's leg break, McManus' groin injury and Caldwell's injury a central defender was severely in need. Still looks and plays like Steven Pressley except he doesn't kick Celtic players anymore.
Neil Lennon	18	08-Dec-00	£5.75 million	Leicester	Martin O'Neill	CMF / DMF	10/12/00 -v- Dundee	25/6/71	36	June '07	Manchester City, Crewe Alexandra	His performance and hectoring has pushed the whole team forward for a good few seasons and was the reason for him being awarded the captain's armband after Lambert retired and McNamara left. Given the constant abuse and attention from bigots and hackers everywhere he is the Celtic player bar none. Named team player of the year last year. Of late has looked a little sluggish which belies the one year offered to him and accepted this season. Still reads the game well but the little legs are getting slower. Offered a Boyd /Lambert year and took it. Has stated a desire to get into management. Looks like a man in his last year of playing. More and more petulant thru the season. May or may not be offered a further year. Announced he would leave at the end of the season.
Stilian Petrov	19	29-Jul-99	£2.8 million	CSKA Sofia	John Barnes	AMF / RMF	15/8/99 -v- Dundee Utd.	5/7/79	28	Jun '07 then Jun '10	None	Stan is the powerhouse in the midfield and gets thru so much work. He is often asked to do too many things and as such can appear to fade from the game at times. Now appears to be being played as a right sided midfielder which is away from his favoured central slot. The most valuable and sellable asset who we will do well to hold onto. In and out of talks for a new deal and come Dec '05 the rumours of transfers start to roll in big time. 27/1/06 signs new contract thru to 6/09 w option of a further year. Row at half time in Hearts League winning game and puts in transfer request. Has stated that he did not want to be at the club for 06/07. Only offers come from Portsmouth which then falls off the burner; starts 06/07 with the club. 30/8/06 joins Aston Villa with Martin O'Neill as manager on a 4 year contract for between £6.5 and £8.0 million.
Jiri Jarosik	20	19-Jun-06	Undisclosed - thought to be £2.00mill	Chelsea	Gordon Strachan	AMF / CMF	29/7/06 -v- Kilmarnock	27/10/77	29	Jun '09 + 1yr option	Birmingham City (loan), CSKA Moscow, Slovan Liberec (loan), Sparta Prague,	Arrived out of the blue. Undisclosed fee which starts to get bigger by the day rising from £1.5 to £2.5mill. Big guy in the middle who looks as though he will pick up a lot of yellows. Scores on debut. The jury is out on this one. As many good performances as bad. Recalled to the Czech national team. Somewhat lightweight and easily brushed off the ball. Deserves his Girafosik nickname.
Mark Brown	21	18-Jan-07	+/- £100k	Inverness CT	Gordon Strachan	GK	20/5/07 -v- Hibernian (SPL)	28/2/81	26	June '10	Motherwell, Rangers	ICT reluctantly lose their keeper to a £100k bid after Marshall departs on loan to Norwich which probably means that artur is off in the summer. Brown would have been out of contract in the summer and ICT accepted the bid knowing that he would be leaving then for nothing. A decent shot-stopper who has always done well against us. How long before he gets brassed off sitting on the bench.

Name	Squad No.	Date arrived	Fee	Club From	Signed By	Position	Debut	D.o.B.	Age	Contract	Previous Clubs	Notes
David Marshall	22	20-Jul-03	Free	Celtic Boys Club	Martin O'Neill	GK	23/2/03 -v- St Johnstone	5/3/85	22	June '08	None	Brought in as the Bhoys Wonder keeper and has done well but looks to still need time to develop. Lost the No1 GK slot from Boruc but has time to work on his game and will no doubt get starting slots. Started making noises about wanting away thru March '06 which got louder in April when he returned to between the posts with Boruc rested / injured. Looks to have a serious crisis of confidence and is a candidate for going out on a season long loan but Strachan is being ultra conservative and will not let him away. Won starts w injuries to Boruc. Needs a loan out period. Wanted by Norwich on loan in January. Goes there for the rest of the season. Tears ankle ligaments against Chelsea and returns. Linked to a move to Hibs.
Stanislav Varga	23	20-Jul-03	Free	Free Agent	Martin O'Neill	CD	30/7/03 -v- FB Kaunas (CL R2 Q)	8/10/72	34	Jun '07	Sunderland, West Bromwich Albion (loan fr. Sunderland), Slovan Bratislava, Tatra Presov, BSC Bardejov	Has looked off the pace, slow to react and defensively uncertain. Partnering Bobo in central defense creates a centre half pairing that opposition forwards love. Probably at the end of his time in the team but is still able to do a job if given adequate faster cover. Interest from Kaiserslautern and Bayer Leverkusen in January '06. Said he will leave at the end of the season 05/06. Hibernian may be an option but he is now decidedly past the sell by date whilst still managing to fill a slot when required. New 1 year contract awarded when Bobo injured and unable to start 06/07. Linked to Sunderland in late August. Signs to them at the death of the transfer window for around £300k
Jean-Joël Perrier-Doumbé	24	25-Jan-07	£150k rising to £300k	Rennes	Gordon Strachan	RB	29/4/07 -v- Hearts (SPL)	27/9/78	28	June '07 + 2 yr option	Auxerre	Cameroon international; limited opportunities at Rennes so far in the 2006-07 campaign. He missed the opening stages of the season after suffering an arm injury in a pre-season friendly. Perrier-Doumbé was strongly linked with Middlesbrough, but move seems unlikely. Arrived as a trialist and stayed for a week before returning to France to play; then went to Bolton Wanderers on trial and chose Celtic instead
Shunsuke Nakamura	25	20-Jul-05	£2.75mill	Reggina	Gordon Strachan	CMF / AMF	6/8/05 -v- Dundee Utd	24/6/78	29	June '09	Yokohama Marinos	Signed after a long chase. Finally signed a recognised playmaker and the most exciting player to be signed by Celtic since Moravcik. His skills in his first game were a wonder to behold as well as his vision and technical ability. If he holds up well to the 'rigours' of Scottish defenders we are onto a winner. Takes an incredible amount of punishment thru a game and maintains his professional and skilful demeanor throughout. A class act throughout 05/06 followed by the WC; returned and looked knackered but still artilful and full of skill. Being asked to do an awful lot and coming up with the goods. Great dead ball man and none better than the 2 against Man Utd and the season winner against Kilmarnock. Won SPFA PotY and just about every other award going.
Shaun Maloney	29	01-Aug-99	Free	Celtic Boys Club	Graduated to First Team	LMF / AMF / ST	29/4/01 -v- Rangers	24/1/83	24	June '07	Kincorth Boys Club, Albion Boys Club	Has come back from the knee injury and then injured his ankle. 04/05 was pretty much a wash out. Started season 05/06 with fire in his belly and a permanent first team place going on to become a stand-out player of the season. Good enough a season even unto winning the SPFA Player and Young Player of the Year awards - first time the double has been done for a while. Celtic allowing potentially another Liam Miller situation with his contract up at the end of 06/07. Started the pre-season with ankle injury then Hernia which required surgery and lay off. Came back and started to look good when it mattered against Benfica. The ominous statement than was that his recontracting had reached a stalemate. Looked to palying the contract game. Also looked to be half the player he was last season. Jan 07 claim to have signed a pre-contract agreement to join Aston Villa; leaves to join Aston Villa
Ross Wallace	33	01-Jul-01	Free	Celtic Boys Club	Martin O'Neill	LW	23/10/02 -v- Inverness Caledonian Thistle (CIS)	23/5/85	22	Jun '07	None	Finally saw the writing on the wall and left for Sunderland under Roy Keane where he has been rejuvenated.
Paul Lawson	35	20-Jul-01	Free	Aberdeen Boys Club	Willie McStay	DMF / CMF	28/8/05 -v- Dunfermline	15/5/84	23	June '06 then June '08	Westhill Boys Club,	Started playing for the Boys Club in 1999 after being rejected by Aberdeen. Father manages Huntly and cousin is Russell Anderton; Was captain of the Reserves and as usual started the season in a skell-collecting role. A Make-it or leave season. New contract in December '05 means the Club believes he is capable of making it. Generally plays the holding central midfield role but has decent playmaking skills also. Has hardly had a chance to impress from the bench. Strachan continues bizarre management strategy game and plays Lawson at right back at the start of 06/07. 31/8/06 goes on loan to St Johnstone till 31/12/06. Scotland U21 this season; Jan 28 goes on loan to St Mirren for the rest of the season
Craig Beattie	37	01-Jul-00	Free	Rangers Boys	Graduated to First Team	ST	6/8/03 -v- Kaunas	16/1/84	23	June '08	None	Has regularly moved up thru the squads and been a bench sitter for a while. Whenever he has been fit enough to get a run of games his pace troubles opposition defences in the latter part of games. Last season was written off through injury and this must be his make or break season but there is a lot of competition for striker starts. After starting pre-season immediately goes down with hamstring injury again. Came back from that but broke down again before getting much first team action. Whether he will ever make it is open to question. Injured and out again from mid-October. Scotland U21 this season
Rocco Quinn	38	1-Jun-99	Free	Celtic Boys Club	Willie McStay	CMF	Bench spot 28/1/06	7/9/86	20	Jun '08	None	From Hamilton; U16 player; Moved up to the U21 squad last season and started to get regular games. Looks like one for the future. Central midfielder. Got his first bench spot for the first team early last season. On the edge of breaking in. Signed a new contract in March thru to 6/08. Being played out of position up front as a striker when clearly an attacking midfielder type. Needs to get a game. Feb 06 Scotland U21. Betwixt and between First Team and Reserves. Joins Kilmarnock on loan in January to the end of season.

John Kennedy	41	20-Aug-99	Free	Celtic Boys Club	Graduated to First Team	CD	5/4/00 -v- Motherwell	18/8/83	23	June '07 then June '08	None	Serious knee injury in the Scotland Friendly v Romania in March '04. Target is Christmas '05 for a return and is due for a return to train w the first team squad soon. Extended contract to June '07. Got back to training with the team in October '05 then got another setback requiring a further operation. Finally started training again at the end of the season 05/06. Still training and yet to have a full 90 minutes since injury. In October '06 was close to 90 minutes with the Reserves. He has had four major knee operations since the original injury. Makes come back in November with the Reserves and on the road to full reinstatement. Further 1 year in Feb.
Stephen McManus	44	09-Jul-03	Free	Celtic Boys Club	Graduated to First Team	LB / CD	21/3/04 -v- Hibernian	10/9/82	24	Jun '06 then Jun '08	None	Signed a new 2-year deal in June '04. was dropped down to the Reserves for much of season 04/05 where he made a very good showing at centre half. Brought into the setup season 05/06 with defensive fragility and looked no more than OK and a little reckless. New contract in March '06. Became a regular in defense and gave everything including lip back to Keane. Still shows defensive fragility but puts in a decent shift and picks up a good number of cards. At times lucky to stay on the park. Started as captain when Lennon not on the pitch. Getting poorer if anything and part of the defensive liability at the heart of Celtic and Strachan's plans. Still required as options at the back limited. Out with a groin injury which he was playing thru in December.
Aidan McGeady	46	01-Aug-02	Free	St Ninians High School	Martin O'Neill	AMF	25/4/04 -v- Hearts	4/4/86	21	Jun '08 then Jun '11	None	An exceptional season 04/05, with full first team debut and full FAI team debut. Signed a new four year deal in June '04. Needs to learn when to pass and when to beat the man. Still young and much to learn but shows the willingness to do just that. On / off start to season 05/06 before coming back well. Then immediately ruptured medial ligament in training ground injury - out for three months. On his comeback he showed all the same qualities. Needs to have a decent 06/07 season and Strachan has been on his case from the start. Could do with a little support because there is much to admire. Freak ankle injury whilst on international duty in October. Looked the better starter than Maloney. Ruck w Lennon at Dunfermline away after the 90. Signs new contract. Won Celtic's Young PotY award
Michael McGovern	47	24-Jul-01	£2k	Enniskillen Town	Graduated to First Team	GK	Friendly 10/8/04 -v- Tottenham Hotspur	12/7/84	22	Jun '06 then Jun '07	Enniskillen Town	From Enniskillen; Reserve GK last season which was injury marred. Northern Ireland U21 GK. Made the bench as first team back up GK given injuries and suspensions and loans to other GK's. Has been injured a lot of the time and is in no-man's land. Loaned to Stranraer in late December '04 for the rest of the season. Given a further 1 year deal. Little seen but still there - called up to the NI U21 squad in Feb 06. Not really seen all last season. Signed a further 1 year deal at the ends of the season 05/06. Brought into the setup possibly in expectation of Bhoys David leaving. Doubtful that he will be offered yet another 1 year deal. Loaned to St Johnstone in November for a month and made a pigs ear of his first game and was dropped to the bench.
Darren O'Dea	48	22-Feb-03	Free	Home Farm	Martin O'Neill	LB / CD / DMF	19/9/06 -v- St Mirren (CIS)	4/2/87	20	June '08 then June '10	None	Signed a couple seasons ago from Home Farm; ROI international schoolboy; good left foot and can play anywhere in defense or midfield. U17's. FAI U17 squad; played mostly in the U17 squad; Joined the first team for pre-season in the States last season and has been getting bench spots. On the edge of the first team but will likely continue with the Reserves. Signed a new contract in September to 6/08. Has been getting bench spots without ever looking like getting a start but with Caldwell's injury came on against ICT in the SPL, as a sub against Copenhagen before making a full game against Dunfermline. Good choice and decision making. Looks a good option for the future. Signs new deal in March.
Scott Cuthbert	49	Jul-03	Free	Celtic Boys Club	Martin O'Neill	CD	Friendly 18/7/04 -v- Fulham	15/6/87	20	Jun '08	None	Been with the Club since a 12 y.o. Originally a striker but converted to a defender. First Pro contract. Last season joined the first team for pre-season and went to the States. Reverted back to the Reserves / U19 setup. Mostly playing for the Reserves but not averse to turning out for the U19's. Definitely seen as one for the future and is on the edge of the team but position is the same as O'Dea. Scotland U19 captain last season and had a great European U19 championship. Scotland U21 this season. Started 06/07 with the Reserves and with Lawson on loan is captain of the Reserves. Long time out with injury which ruined his chances of a first team game. On coming back from injury had a month loaned out to Livingston where he got first team football.
Ryan Conroy	54			Celtic Pro Youth Academy		LS Midfield		28/4/87	20	June '09		Excellent left foot; U17 youth player last season; picked for Scotland U17. Left sided. Moved up to the U19's with a few sub outings to the U21's last season. Constant for the U19's and got some Reserve squad shots as well. Scotland U19 then U20 internationalist this season. Very talented and confident.
Jim O'Brien						RMF / RWB		28/9/87	19	June '08		U 19; 1 appearance for U19's; standby for Scotland U17 squad this season and began to be more of a regular. Went to Hong Kong for the 7-a-side tournament. Went to the Jersey International Youth tournament in August. Good striker and high work rate. On the bench a lot to make up the SPL age rule. January joins Dunfermline on loan
Nicky Riley	99			Celtic Pro Youth Academy		RW / RMF / ST		10/5/86	21			From Edinburgh. U19. Right side. Described as hard working and fast. Started last season well but fell away towards the end. Generally though has progressed and that needs to carry on. Can play as a RS attacking midfielder player or an out n out striker
Cillian Sheridan	26	01-Jul-06	Free	Belvedere FC	Tommy Burns	ST	25/2/07 -v- Inverness CT (SC)	23/2/89	18	June '10		Dublin teenager in first season full time with the club; Irish U17 internationalist; U19 Reserve Aug 06; a tall central targetman; A very big lad, but he doesn't use that as much as you'd think. He should be bullying centre-halves, not the other way about. He should also be showing more for passes and holding the play up better. Needs to work hard on his game. FAI U18 this season. First team debut against Inverness CT; next week signed a new contract and then broke his hand.

Sean Anderson		01-Aug-04	Free	Celtic Pro Youth Academy	Tommy Burns	DMF / LMF / CD		15/6/89	18			Listed as playing for the U17 last season; not previously listed on the Celtic Pro-Youth setup. ? Barron		01-Aug-06										listed as a sub in a Youth game in December
Joe Bradley		01-Aug-05				RMF						U17 squad; short; Very talented wee midfielder who played out on the right wing. But he is TINY. can't hope to compete at the top level unless he really puts a stretch on and finds some aggression. Steak, egg and Guinness, son! Would appear to have left sometime before the beginning of 06/07 and played no games. Unable to trace.
Paul Caddis		Sept '04		Celtic Pro Youth Academy		DF / RB		19/4/88	19			made the jump to the full time contract last season after being with the Youth Pro setup as a schoolboy. Regular in U19 games. Getting a regular start as a right back in the U19's Talented, fast and skilful. 06/07 captains the U19's. Captain Fantastic. A wonderful wee player with a first-rate attitude. FAI U18 this season

Takes a lot of the set pieces. Predominantly left-footed but plays on the right of midfield, a bit greedy. Obviously a very confident and skilful lad but will have to learn a bit more awareness about when to release the right pass to teammates. One to watch. FAI U18 this season.
Kevin Cawley		01-Aug-05				CMF / AMF / ST		17/3/89	18			joined last season 1/8/05 CMF / AMF / ST; started as U17; A star in the making, 05/06 Quite thin and wiry but never stops working. shows great pace and skill, strikes the ball well, and is willing to chase back and make full-blooded tackles. A real prospect; Usually centre forward. Scotland Under-18 star. Non-stop energy, comfortable on left or right foot, with a great awareness of where and when to play the pass. Moved up 06/07 to U19. U19 Reserve August 06. Played as the attacking midfielder. Composed in possession, with a good burst of pace and plenty of aggression. This lad is a class act.

Puts in a power of work in the centre of midfield. Good team player. U19 Resrve August 06. Put in a pile of work as the holding player in the centre of midfield, and really came into his element in the second half when Celtic totally dominated. At his best when he kept the play moving by bringing the full backs into play. A workhorse.
Gary Irvine	50					RB / RMF / CMF	16/7/05 -- Fulham (Friendly)	17/3/85	22	Jun '07	None	Moved up to the Reserves season 04/05; awarded 2 year contract in closed season last year and much is expected from him last season. Jason Marr		1-Aug-05	Free			RB / CD / MF		23/2/89	18			U17 new last season. Strong-running right back. Always willing to receive the ball. Looks a real team player. Tough tackler. Needs a move up to U19 level; U19 Aug 06. Was a stand-out at right back for the Under-17s last season but has taken a real stretch since then. Been built into a centre half and doing a good job there, reminding me of Stephen McManus. A good tackler, and makes few silly mistakes in possession. A very professional performer and fast becoming an immediate pick
Ryan McCafferty		1-Mar-04	Unknown	Celtic Pro Youth Academy		RB / CD				Jun '05		New 03/04. Made a couple of U21 slots. from Denny. Went to the Jersey International Youth tournament in August 04. Started 04/05 as No1 choice defender for U19 but of the latter part of the season he was often out; generally 05/06 starting for the U19's in the centre; good leadership qualities. Good in the air. Yet to appear 06/07 - may have left.
Brian McEwan		01-Aug-04				CD		11/6/89	18			New 04/05 for U17's; not listed in previous season's Pro-Youth setup. All U17 stuff. Skillful central defender. Good pace and very comfortable in possession. Plays more of the sweeper role. This lad has a bit of style, although his eventual chances of making a career in central defence may depend on his physical development. A good prospect. Scotland U18. A real team player who exudes confidence and a tremendous will to win. U19 next season? Aug 06 U19 Reserve; Came on at right back for the last few minutes and did little wrong. But he was wonderful in central defence for the Under-17s last season, and that is where I feel he could do a really good job for this team. Skillful, aggressive, and a good organiser.
John McGeogh		01-Aug-05				ST						new last season - first U19 game and appears to be U19 regular. Not seen after January 06; Not seen 06/07
Paul McGowan		before April '04	Free	Celtic Pro Youth Academy	Tommy Burns	ST		7/10/87	19	Jun '05		signed as 16-year-old 2 seasons ago until 2005. Went to the Jersey International Youth tournament in August 04. Made a reasonable number of U19 spots season 04/05. Season 05/06 was a regular U19; Stocky, pacy. Good control, strength and the ability to bring others into the game. start 06/07 joins Morton on a 4 month loan period.
Michael McGlinchey	42	20-Dec-02	Free	St Andrew's Secondary, Clydebank	Martin O'Neill	DF / RMF / LW	26/12/05 -v- Livingston	7/1/87	20	June '09	None	from Old Kilpatrick; wanted by Man Utd. Celtic won the battle for his signature. Played in the Testimonial game -v- Wycombe Wanderers; with U17's just before he signed season but also had sub appearances for the U19 and U21. Versatile and able to play most positions. Needs to step up and is between two stools at the moment. Scotland U19 international this season; signed new contract in Sept to 6/09. Scotland U20 this season.
Paul McInnes		D-Form Feb-04	Free	Celtic Boys Club	Tommy Burns	CMF		23/2/89	18		None	signed as an U15; from Saltcoats; with the CBC setup for the last 4 years, signed a D-Form which ties him to the Club till 16. Engine room of the U17 side.
Mark Millar		01-Aug-04	Free	Celtic Pro Youth Academy	Tommy Burns	RMF / LMF / ST		23/2/88	19			Scottish under-16 international. Went to the Jersey International Youth tournament in August 04. Called up to Scotland U17 in October 04. Made a couple of squad U19 appearances season 04/05. Was playing up front season 05/06 for the U19's having made the big jump up from U17's. Started on right of midfield, then was switched to the left. A very skillful player but is still very slight. Needs to acquire degree of leadership; best position is probably up front. Still U19. Has brought a good edge to his game and less likely to be pushed about. Scotland U19 this season
Carlo Monti		01-Aug-06	Free	Celtic Pro Youth Academy	Tommy Burns	LB, LMF		10/7/90	16			U17 player new this season; Scotland U16 cap; Stocky, powerful left back. very talented lad and looked very comfortable in possession. U19 Reserve Aug 06; Scotland U17 this season
Ewan Moyes		01-Aug-05				CD						U17; Very vocal big stopper but technically limited. has a big "agricultural" stride which tends to suggest he won't have the ability or poise to compete at the top level. Very honest big defender, though.
Chris Nicholson		01-Jul-04	Free	St Joseph's	Martin O'Neill	GK		1/1/89	18		None	Signed 2 seasons ago but not yet seen. Rated among the best young Irish goalkeepers. Was a 15-year-old from Athlone; signed a pre-contract agreement; impressed while on trial at the club. had trials at Everton, Nottingham Forest, Manchester City, Charlton and Southampton over the last two years. FAI schoolboy international from Athlone. All U17 stuff.
Mark Nolan		01-Aug-06	Free	Shelbourne	Tommy Burns	RB		10/5/90	17			New this season; Republic of Ireland U17; right-back who likes to get forward, signed from Shelbourne. Added to youth squad for 2006/07. FAI U17;
Diarmuid O'Carroll	43	22-Feb-03	Free	Home Farm	Martin O'Neill	ST	Friendly	16/3/87	20	June '08	Killarney Athletic.	New signing season 04/05 as a youth; ROI international schoolboy from Killarney; strong, tall and a nose for goal. U17's. Trialed with Wolves, Man C and Leicester. FAI U17 and now U19. Began to knock in goals and look good towards the latter part of last season. Started last season well; signed new contract in September to 6/08; needs to move up a level of belief and confidence. Has also played CD. January goes on loan to Ross County for the rest of the season

Craig Reid				Celtic Pro Youth Academy		CD / DF / RB		26/2/86	21	Jun '08		from Irvine; U19 good but needing to beef up a little; Scotland U18 squad. In and out of the side last season which was injury racked. A bright prospect - one to look out for. Been out w a long term injury this season but returned and looked good. Very fast, great composure in possession, good header of the ball, too. BNroke his nose against ICT 9/06;
Dean Richardson				Celtic Pro Youth Academy		LB		2/3/87	20			U17 youth player season04/05 : called up to the Scotland U17 squad 04/05 season. Injury riven first half of the season. Got better the second half. Regular starter at Left Back for the U19's last season 05/06. This season is also playing CD and looks like getting moved up to the Reserves
Kevin Ross		01-Aug-05	Free			DF		10/6/89	18			New last season; tall right-sided Scottish central defender who came through the academy. Progress hampered by injury.

Has to be more commanding, can be a flapper. Dublin goalkeeper from Lourdes Celtic, played for Ireland Under-17s.
Michael Tidser		01-Aug-05	Free		Tommy Burns	CMF / LMF		23/2/89	18			U17; Seems to have grown quite a bit since I last saw him against Rangers a few months ago. seems to have a bizarre running style, which I'm told is due to a recent injury. May take his body a wee bit of time to catch up with his recent stretch but he showed a lot of poise and skill.
Andrew Traub		01-Sep-04	Free	Celtic Pro Youth Academy	Tommy Burns	CD / DF		1/12/88	18			From Dunfermline; First Pro contract graduating from the schoolboy Pro setup into the Youth squad. Starting to get more games for the U19's as a central defender. Big blond stopper, he won plenty of headers but gave the ball away too often for my liking. Andy's in the team for his strength and height, so he should use that to the team's advantage by being much more aggressive and keeping his passing simple. Not the most technically gifted of players, so he has to be more of an animal. Injured in November / December.
? Travis		01-Jul-06										listed in the Younth Cup as a Reserve April 07
Gary Walsh	x	22-Feb-03	Free	Home Farm	Martin O'Neill	LMF / LB	2/8/06 Kenny Arthur Testimonial - v.
