Name	Squad No.	Date arrived	Fee	Club From	Signed By	Position	Debut	D.o.B.	Age	Contract	Previous Clubs	Notes
Artur Boruc	1	12-Jul-05	£200k for 1 year loan + £660k	Legia Warsaw	Gordon Strachan	GK	2/8/05 -v- Artmedia Bratislava (CL Q12)	20/2/80	28	June '09 +1 then Jun '11	None	One of THE world class players at Celtic and has proved his worth time and time again. Last year he brought controversy through the crossing himself incident at Ibrox and then in the last OF game loss more controversy by grabbing a Champions flag and waving it at Ibrox. A truly excellent keeper and the one great keeper we have had since Packie at his best. Required knee surgery after qualification for last 16 of CL. Rumours of wanting away. Signs new contract in January. Yellow carded at Hibs after ythe whistle for waving to the Hibbees after facing abuse all game
Andreas Hinkel ★	2	04-Jan-08	£1.9mill rising to £2.1mill	Sevilla	Gordon Strachan	RB	12/1/08 -v- Stirling Albion (SC R4)	26/3/82	26	June '11	TSV Leutenbach, VfB Stuttgart	Finally signs though under no illusions that what he really wanted to do was to go back to Germany. Signed by Sevilla to take over from Alves who then did not leave; unable to displace Alves he was marginal and fell out of favour; Celtic outbid Wolfsburg and Borussia Dortmund for his services; arrives in full badge kissing and 'historic club' mode; will not be eligible for Europe this season. Started well but immediately injured; looks rusty but of undoubted quality going forward; less certain defensively.
Lee Naylor	3	23-Aug-06	£500k + Charlie Mulgrew	Wolverhampton Wanderers	Gordon Strachan	LB	26/8/06 -v- Hibernian (SPL)	19/3/80	28	Jun '09	None	An excellent overall first season where his performances grew and grew in stature And then alas after February fell away. Needs challenging for his place and is much better going forward. Still has a great cross when allowed to get forward and use it and a canny eye for defence. Can also at times be petulant and not averse to the narky foul and the quality of his crossing rises enormously. Quality improved after his first goal for the club.
Adam Virgo	4	20-Jul-05	£1.5mill	Brighton and Hove Albion	Gordon Strachan	RB / CD / ST	20/8/05 -v- Rangers	25/1/83	25	June '09	Exeter City (loan)	The unknown man. Has looked utter rubbish and non-Celtic class whenever he played the season before last. Last season was out on loan to Coventry and despite decent signs from there he managed to damage his knee ligaments first full game there. Returned to recover from injury then went back to Coventry end of November. One hopes that Mark McChee taking over at Motherwell might fancy linking up with him again. Loaned to Colchester for 6 months in August, and the loan extended post December.
Gary Caldwell	5	01-Jun-06	Free	Hibernian	Gordon Strachan	CD	29/7/06 -v- Kilmarnock	12/4/82	26	June '08	Newcastle Utd, Derby Co. (loan), Coventry City (loan)	An injury riven 06/07 - his first Celtic season. Distinctly un-Celtic class and his signing was a mystery. Played at centre half to start with he was very ropey. Then tried at right back and again a liability and at the end of the season was tried as a holding midfielder with little improvement. The one ray of hope was that he was out injured for long periods and a knee knock which required surgery kept him out from November to the New Year. More to come or quick departure. Pretty inept as characterised by giving away a penalty in the last minute against Hearts w a stupid "professional" foul. Still poor but when he keeps it simple can be adequate.
Bobo Balde	6	20-Jul-01	Free	Toulouse	Martin O'Neill	CD	8/9/01 -v- Dunfermline	5/10/75	32	June '09	Marseille, Mulhouse, Cannes	Quite why he is still here nobody knows apart maybe from Martin O'Neill who beneficently gave him the best deal he ever hoped for. Got a place back eventually last season with injuries to both McManus and Caldwell in November and looked a liability. Broke his leg against Dundee Utd in December and spent the rest of the season recovering. Shows no sign of wanting to leave. Is not Strachan's cup of rosy lee so has been left out to dry. Restored before Christmas. Still lots looking to pick him up in January. Bolton in particular, but off to African Cup of Nations. Came back with an 'injury' and saw no play after the New Year.
Maciej Zurawski ★		08-Jul-05	£2.2mill	Wisla Kracow	Gordon Strachan	ST	16/7/05 -v- Fulham (Fr)	12/9/76	31	June '08	Lech Poznan	Again and injury hit season - apparently an old injury which he spent time back in Poland with his original consultant last season. To get the best from this player we will need to play to his strengths which we continue to fail to do. Strachan would appear to be going for other options now but he could still find a place coming from deeper. Still puts in a lot of work and scores goals. Definitely no longer a fans favourite except when he plays against Dunfermline which will not happen this season. Has stated he will see out his contract before returning to Poland. Linked to a move to Marseille or loan to Wisla Kracow in August. Linked w a move to LA in December then Columbus Crew in January. The inevitable move arrives and he leaves on 1/2/08 to join Larissa of the Greek league for 665k euros, approximately £450k, and a contract to '10
Scott Brown ★	8	16-May-07	£4.4mill	Hibernian	Gordon Strachan	MF	4/8/07 -v- Kilmarnock (H)	25/6/85	22	June '12	None	Signed at the death of the 06/07 season to play next season, 25k/week - the priciest Scottish footballer in Scotland. A real battler who has an unbelievable work rate and has lost a lot of his petulance and gained a real professional maturity. Needs to take that to the next level but is being asked to do a multitude of jobs. His play has degenerated to the level where he runs around lots, wins the ball and then gives it away. Needs to step up.
Kenny Miller ★		02-Jul-06	Free	Wolverhampton Wanderers	Gordon Strachan	ST	29/7/06 -v- Kilmarnock	23/12/79	28	June '09	Rangers, Hibernian	Another Strachanista free signing. Rumours that Kenny Miller is a collie dog are alleged to be untrue but there is very little to tell them apart. Unable to buy a goal. Has yet to make his alleged salary of £17k/wk look a worthwhile outlay; the optimum saying with Kenny 'id' 'failed to score'; alleged to be going to Newcastle in the closed season. Didn't. 31/8/07 joins Derby for £3.0million and a 3 year deal.
Georgios Samaras ★	9	29-Jan-08	LOAN	Manchester City	Gordon Strachan	ST	2/2/08 -v- Kilmarnock SC Rd5	21/2/85	23	June '08	Heerenveen	Another one that came somewhat out of the blue with Strachan picking up the out-of-favour player from Manchester City on loan for the rest of the season with the prospect of a full transfer for £2mill at the end of the season. Looks fast but is not a front man target player and should not be used as such.
Jan Vennegoor of Hesselink	10	24-Aug-06	£3.4mill	PSV Eindhoven	Gordon Strachan	ST	26/8/06 -v- Hibernian (SPL)	7/11/78	29	June '10	Twente Enschede	Perhaps the best days are over but given the overall standard of football in Scotland still looks like he might score at any time. Glaring miss in the Cup Final. Big tall rangy front target man now failing to live up to expectations and either injured or not match fit due to too short a period recovering from injuries. Came back and though at times appeared to try at others he just appeared trying. Samaras' arrival cranked the ante up and his game improved enormously.

Paul Hartley	11	31-Jan-07	£1.10mill	Hearts	Gordon Strachan	AMF / DMF / RMF	4/1/07 -v- Livingston (SC)	19/10/76	31	June '09 + 1yr	Mill Utd Boys Club; Hamilton Academicals; Millwall; Raith Rovers; Hibernian; St Johnstone	Arrived out of the blue and played out of position, looked everything like the second division player he was. Towards the end of the season looked as if he'd been told to start acting the part at least and began to put in better performances. Still somewhat anonymous but the team needs him as a ball winner and to sit in front of the defense. Used regularly in Europe and needed for the specific role of sitting in front of the defense and breaking up attacks a la Lennon. And he looked good doing it.
Mark Wilson	12	16-Jan-06	£500k	Dundee Utd	Gordon Strachan	RB / LB	28/1/06 -v- Dundee Utd	5/6/84	23	June '10	None	Was a Scotland U21 captain but has yet to make it into the senior side. Spent a lot of time out last season with injuries and it will be interesting to see if he can pull himself into first team possession of the RB slot. Ruled out with a broken foot thru September and October then a knee injury which eventually required a cartilage op and appeared to be bigger and bigger judging from the length of time he was out. Came back quite suddenly and used against Barcelona but yet to seem fully fit.
Derek Riordan	14	01-Jul-06	£300k	Hibernian	Gordon Strachan	ST	29/7/06 -v- Kilmarnock (Sub)	16/1/83	25	June '09	Hutchison Vale BC	Strachanista free contract or would have been but came early for a nominal £300k. 1 year extra option. Really only started to get half a chance in the latter half of last season. Given little chance to get into the team except from the bench or in little meaning games. Looks lightweight. Involved with m'learned friends and the police after disco shenanigans and bounce fests in Edina. Will be interesting to see how many games he gets before he asks to leave. Asks to leave end of October. Whenever he got a game he looked decidedly mediocre culminating in being subbed and heading straight down the tunnel with a kicking at the Christmas game. Linked to Burnley in January.
Evander Sno	15	20-Jun-06	£250k	Feyenoord	Gordon Strachan	DMF	29/7/06 -v- Kilmarnock (Sub)	9/4/87	21	June '10	NAC Breda (loan)	The biggest comment about Evander is he is "still young". Strachanism from Holland. Big, slow and defensively naive. Was lucky not to get sent off in a good few games. Says he either wants a firm run as a first team pick or wants away. Osasuna made a tentative bid in January. Came onto a game against Barcelona away and improved the team but his game saws faults which the training staff show no inclination to train out of him.
Thomas Gravesen	16	30-Aug-06	£2.00mill	Real Madrid	Gordon Strachan	CMF	9/9/06 -v- Aberdeen (A)	11/3/76	32	Jun '09	Everton, Hamburg, Vejle	The Plain People of Celtic are undecided. Once he had finished Euro 2002 and gone to Madrid that appears to have been the high point of Rashers career. Has looked either excellent or total rubbish, low points being Copenhagen away and the last game of the season against Hibernian. Linked to moves to a number of clubs in the closed season. Strong link to Sheffield Utd and Toulouse. Agent feels he's hard done by. 30/07 goes on season long loan to Everton where he wasn't really wanted.
Steven Pressley	17	29-Dec-06	Free	Unattached	Gordon Strachan	CDF	2/1/07 -v- Kilmarnock (H)	11/10/73	34	Jun '08	Hearts; Dundee Utd, Coventry, Rangers, Inverkeithing Boys Club	Still looks and plays like Steven Pressley except he doesn't kick Celtic players anymore. An atrocious player who should never ever have been seen in a Celtic shirt. A pure Strachanism. Decidedly ordinary and slower than a week in jail. Became part-time assistant to new Scotland manager George Burley in January
Massimo Mutti ★	18	29-Jun-07	£3.00mill	AC Milan	Gordon Strachan	MF	4/8/07 -v- Kilmarnock (H)	26/3/81	27	June '11	Atalanta, AC Milan, Torino (loan), Parma (loan), Sampdoria (loan), Messina (loan), Atalanta (loan)	Contract owned by AC Milan but has been out on loan at various clubs of late; AC wanted him as back-up for Pirlo but were resigned to losing him and after tough competition from both Sampdoria and Messina the player opted for Celtic. Started well and fell off into lazy mode. But what exactly does Strachan want him to do? Started to give the ball away all the time and looked half the player we thought he might be.
Jiri Jarosik ★		19-Jun-06	Undisclosed - thought to be £2.00mill	Chelsea	Gordon Strachan	AMF / CMF	29/7/06 -v- Kilmarnock	27/10/77	30	Jun '09 + 1yr option	Birmingham City (loan), CSKA Moscow, Slovan Liberec (loan), Russian teams in for him from November onwards. At the end of January sold to Russian side FC Krylya Sovetov on a two-year contract for around £745,000	An unmitigated Strachanism. Bambi on ice. Poor beyond belief. yet still recalled to the Czech national team. Somewhat lightweight and easily brushed off the ball. Deserves his Grafosik nickname. Came back in and looked the pick of the bunch. A few niggly injuries but ... Russian teams in for him from November onwards. At the end of January sold to Russian side FC Krylya Sovetov on a two-year contract for around £745,000
Barry Robson ★	19	31-Jan-08	£1.25mill	Dundee Utd	Gordon Strachan	LMF / CMF	10/2/08 -v- Aberdeen (SPL)	7/11/78	29	June '11	Inverness CT; Forfar (loan); Rangers Youth	Probably the stand-out player outside of the Old Firm in Scotland. After boxing shy and wavering all transfer window Robson finally signs when Thompson accepts an improved offer. Scored on his first touch free kick debut.
Mark Brown	21	18-Jan-07	+/- £100k	Inverness CT	Gordon Strachan	GK	20/5/07 -v- Hibernian	28/2/81	27	June '10	Motherwell, Rangers	Took till the end of the season to get his first team debut but appeared happy enough sitting on the bench once Marshall was down south or injured. Looks as if he will become the No2 keeper to Boruc. Started pre-season and season w injury to Artur and looks confident and very able as he did at Inverness CT. Won a starting place with Boruc' op and looked pretty ordinary.
Ben Hutchinson ★	23	28-Jan-08	£250k	Middlesborough	Gordon Strachan	ST	16/2/08 -v- Hearts (SPL)	27/11/87	20	June '11	Middlesboro' Youth, Arnold Town, Derby	One that came out of the blue; out of contract at then end of the season at Middlesboro' and seemingly forgotten about he was scouted and signed more than likely as one for the future. A deal was agreed with Middlesborough to allow him to join early rather than in the summer as a Bosman. Played for the Reserves and scored a lot.
Jean-Joël Perrier-Doumbé	24	11-Aug-07	Free	Rennes / Unattached	Gordon Strachan	RB	29/4/07 -v- Hearts (SPL)	27/9/78	29	June '07 / Jun '08 / Jun '09	Auxerre, Celtic (loan)	Cameroon international; limited opportunities at Rennes so far in the 2006-07 campaign. He missed the opening stages of the season after suffering an arm injury in a pre-season friendly. Perrier-Doumbé was strongly linked with Middlesbrough, but move seems unlikely. Arrived as a trialist and stayed for a week before returning to France to play; then went to Bolton Wanderers on trial to chase Celtic instead. Left at the end of the season but arrived back again on a single year deal as cover. Offered an extension to Jun 09 in October. Bad injury ruling him out for much of the season.

Shunsuke Nakamura	25	20-Jul-05	£2.75mill	Reggina	Gordon Strachan	CMF / AMF	6/8/05 -v- Dundee Utd	24/6/78	29	June '09	Yokohama Marinos	The other world class Celtic player. Ended up playing just about every game last season and still people persist in saying that he doesn't work hard enough. A supremely skilful technician who works hard at his game and has been improved by his spell so far in Scottish football. The classiest player in Scotland and won every award going at the end of last season. Looks to want a return to Japan. Knee injury thru the season which kept him out for a long period. Has stated he will stay as long as he is wanted.
Cilian Sheridan	26	01-Jul-06	Free	Belvedere FC	Tommy Burns	ST	25/2/07 -v- Inverness CT (SC)	23/2/89	19	June '10		Dublin teenager in an explosive first season full time with the club; Irish U17 internationalist; U19 Reserve followed by Reserve team shots culminating in a first team debut. a tall central target man; FAI U18 last season. First team debut against Inverness CT; next week signed a new contract and then broke his hand. Disappeared without trace in 07/08. Made an U19 comeback in February.
Scott McDonald ★	27	31-Mar-07	£700k	Motherwell	Gordon Strachan	ST	15/8/07 -v- Spartak Moscow (A) CL 3QII Rd	21/8/83	24	Jun '10	MK Dons; Southampton; Bournemouth (loan); Huddersfield (loan)	was tracked briefly in the winter but dropped and was alleged to be going to Rangers but out of the blue Celtic offer £700k and it's accepted to start in the new season; Rangers would only offer £400k; a fast and skilful poacher who is extremely tricky. Came in and did the business. Never stops running but his arse is growing and approaching the critical Hartson/Viduka index.
Koki Mizuno ★	29	29-Jan-08	Not Known	JEF Utd	Gordon Strachan	RMF / AMF		6/9/85	22	June '11	None	Rated as the next thing in Japan; was out of contract and sharing the same agent as Nakamura; his arrival needed work permit approval which was granted and the fee to be negotiated with his Japanese club Started playing for the Reserves
Chris Killen ★	33	30-May-07	Free	Hibernian	Gordon Strachan	ST	4/8/07 -v- Kilmarnock (H)	8/10/81	26	June '10	Manchester City, Port Vale (loan), Wrexham (loan), Oldham Athletic,	turned down a 1 year offer from Hibernian and out of contract came to Celtic as a Bosman despite having appeared to sign for Cardiff City. Looks extremely slow and lacking in every footballing ability that a striker should possess. Used as a back-up for Hesselink. Poor beyond belief. Couldn't score in a barrel of thinnies.
Paul Lawson ★		20-Jul-00	Free	Celtic Academy original from Aberdeen Boys Club	Willie McStay	DMF / CMF	28/8/05 -v- Dunfermline	15/5/84	24	June '08	Westhill Boys Club,	Permanent skelf-collector who was out on loan Jan 28 to St Mirren for the rest of the season where he is alleged to have done well. 31/8/07 transfers to Ross County
Rocco Quinn	38	1-Jun-99	Free	Celtic Boys Club	Willie McStay	CMF	Bench spot 28/1/06	7/9/86	21	Jun '08	None	A few sub spots in the pre-season last season then U21 games. Central midfielder in the U21's, thought to be on the edge of breaking in. Now played up front as a striker. Joined Kilmarnock on loan in January to the end of season where he was played on the right side as a striker/midfielder and was found out a good few times. 31/8/07 joins St Johnstone on loan for the rest of the season. St Johnstone try to sign him in January without success. Returns. Then goes back on an extended loan.
John Kennedy	41	20-Aug-99	Free	Celtic Boys Club	Graduated to First Team	CD	5/4/00 -v- Motherwell	18/8/83	24	June '08	None	After four major knee operations he finally made his come back in November 07 with the Reserves and on the road to full reinstatement. Further 1 year to his contract in Feb '07. Still looks like a good option for CD given the other half wits signed. Knee injury during the season which kept him out and contributed to the woe at the back.
Michael McGlinchey	42	20-Dec-02	Free	St Andrew's Secondary, Clydebank	Martin O'Neill	DF / RMF / LW	26/12/05 -v- Livingston	7/1/87	21	June '09	None	from Old Kilpatrick; wanted by Man Utd. Celtic won the battle for his signature. Played in the Testimonial game -v- Wycombe Wanderers; with U17's just before he signed season but also had sub appearances for the U19 and U21. Versatile and able to play most positions. Needs to step up and is between two stools at the moment. Scotland U19 and U20 internationalist this season; signed new contract in Sept to 6/09. Scotland U20 last season. Decidedly unheard of and must be on the away list. Loaned to Dunfermline 9/11 to 10/1
Stephen McManus	44	09-Jul-03	Free	Celtic Boys Club	Graduated to First Team	LB / CD	21/3/04 -v- Hibernian	10/9/82	25	Jun '08 then Jun '11	None	Hovers between shaky and rock-solid, more often the latter and gives everything he possibly can. Took the captain's armband when Lennon was not playing and to be seen if he will continue as Captain with Lennon gone. Appointed captain. New 4 year contract. Started very strongly but as the defense became shaky so too did his own performances. Needs to lead more as the captain.
Jim O'Brien		01-Jul-05	???	Celtic Academy	Graduated to First Team	RMF / RW	7/10/07 -v- Gretna	28/9/87	20	June '08	None	Reserve team football for most of last season with some bench spots before joining Dunfermline on loan in January. Did very well at Dunfermline and was unfortunately barred by club allegiance from playing for them in the Cup Final. Looked very sharp pre-season. Was offered as part package for Naismith to Kilmarnock in August. Continued with bench spots and Reserve run outs. Moved on loan to Dundee Utd at the end of January for the rest of the season. Likely to have been a sweetener in the signing of Robson.
Aidan McGeady	46	01-Aug-02	Free	St Ninians High School	Martin O'Neill	AMF	25/4/04 -v- Hearts	4/4/86	22	June '11	None	Despite signing a new contract last season there appears to be about Aiden the feeling that he is not as good as he thinks he is. Could do with a little support because there is much to admire. Freak ankle injury whilst on international duty in October. Looked the better starter than Maloney. Ruck w Lennon at Dunfermline away after the 90. Needs support and development and to realise it's a team game. Better coaching and training took his game to another level and at times he appeared to be the only Celtic player trying.
Michael McGovern	47	24-Jul-01	£2k	Enniskillen Town	Graduated to First Team	GK	Friendly 10/8/04 -v- Tottenham Hotspur	12/7/84	23	Jun '06 / Jun '07 / Jun '08	Enniskillen Town	Another skelf collector who has been near but never quite in first team reckoning.
