Scott MacDonald															
John Underhill															
Craig MacKay															

Positions are based on firstly Points per Game. In the event of a tie the ref with more games will finish higher. If still a tie the ref with the greater total of cards will finish higher. In the event that all three criteria are tied then there may need to be a play off - yellow cards and aprons at 6:45 in the centre circle at Hampden.
Yellow card = 3 pts Red card = 6 pts
