23/11	3		
30/11	1		
14/12	1		

This gives us 29 class duties through the summer season this year – with the numbers in the class that should mean 1 duty each..... though I think some of us will need to do 2 as we did last year!!

Please select at least 1 duty date that you can do - & send to both Cat & Bruce asap – we will update & re-circulate regularly until we fill the list!
