

Y2K NEWSLETTER

JULY 2007

NEW TRAINING TIMES

From July 1st – July 29th Sunday training for all participants will be 10am – 12pm. Then we are discontinuing Sunday training in September. I have booked in a coaching session on Fridays 6.00 – 7.30 pm and hope that most people will be able to swap to this time. I will try to squeeze people in on Monday or Saturday training sessions if it is impossible.

I apologise for any inconvenience. We have always had disruptions on Sunday due to competitions and increasingly courses and meetings are being scheduled for this day. When I discovered I could do only 1 week in September all due to British gymnastics or courses I decided I had to make changes.

DEMONSTRATION 2007

This years demonstration will be on Monday 23rd July at 8pm at The Warwick School. Competitors need to arrive by 6.45pm to warm up. Please bring along family and friends. We would greatly appreciate donations of raffle prizes and cakes and help with drinks on the day.

As we have little time to prepare for the demonstration I am inviting all members to attend all and any training times up to this date.

I am creating a programme this year to sell at the door instead of charging an entrance fee.

I would like to include some drawings from the children of Y2K. There will be a prize for those chosen so get your pencils and pens out. All entries must be received by July 16th.

CONGRATULATIONS

Well done to all who competed at Gillingham in June. Special congratulations to Michael Stemp who came first with a particularly well performed set routine, awarded 8 by 1 judge. (Very rare!) Clare Carter and Lizzie Stanger also did well coming 4th and equal 3rd.
