Setting Address St Michaels and All Angels Church Hall
Church Hill
Dartford
DA2 7EH

REGISTERED PROVIDER DETAILS

Name The Committee of St Michaels Pre-School

ORGANISATION DETAILS

Name St Michaels Pre School

Address St Michaels and All Angels Church Hall
Church Hill
Dartford
DA2 7EH

- **Develop the use of observations to record children's progress and ensure this informs future planning**

Through consultation with the early years advisor we plan to revise our children's record sheets to link them into the stepping-stones and early years goals and to observe the children within each area of learning at regular planned intervals. The information gained will be used to focus on individual children's developmental needs when planning activities.

- **Develop staff's understanding of the early learning goals**

We are in the process of identifying suitable courses, which will address the needs of the staff in this respect. All members of staff will have attended the Foundation Course in early learning goals by December 2005.

- **Extend information technology so that all children can experience this media**

The committee has obtained a PC and suitable educational programmes for 2-5 year olds. This will be available for use by all children by September 2004.

- **Look at ways of developing the outside play space to extend children's physical development**

The committee is in the process of negotiation with the Parochial Church Council who owns the land and the hall from which we operate. We have their initial approval to fund raise for the purpose of building an outside area for use by the children and are now negotiating a start date for work to commence. Substantial funds have already been raised and it is intended that the infrastructure will be completed by the end of 2004.
