

When you enter prints for heats of the the club competitions please help the organisers by completing one of the labels below for each print entered. Circle the appropriate heat number, indicate your group, and attach the label to the back of the mount.

With the increasing entry to colour heats it is possible that the total entry may become too large to judge in one evening. We ask you to add a Priority number to each entry *in the colour heats* - '1' for the strongest, '2' for the next, and '3' for the weakest. In the event of a unexpectedly large entry those labelled '3' will be withheld from the heat. If you only enter one or two prints still indicate their order. If you fail to enter a Priority number the Print Secretaries will, if necessary, select a print to withhold at their own discretion.
