

**APPLICATION TO REGISTER TONKINESE, WITH TONKINESE VARIANT ANCESTOR/S,
ON THE FULL REGISTER**

Note to Tonkinese breeders:

If your Tonkinese kitten has a Tonkinese Variant parent and is eligible to be registered on the Full Register, this form should be completed and sent to the GCCF **with** the Registration application form. Use a separate form and letter for each litter.

To THE GCCF KITTEN REGISTRAR,

I confirm that each of the following Tonkinese kittens is bred in accordance with the Tonkinese registration policy and that it meets the conditions for the Full Register i.e : -

- The Tonkinese breed has Championship status.
- The kittens have in their pedigree, within three (3) preceding generations, only Tonkinese and/or Tonkinese(variant) each of which complies with the requirements of the Tonkinese registration policy.
