Autumn '11 – Spring 2012 Newsletter

Happy New Year to all our Customers.

The term is well under way, with all lessons continuing at Eagle House School Pool. Our thanks to the School for coming to our rescue during the Yateley refurbishment. May we remind customers to please park in the gravel car park & walk around the front of the school. Please bear in mind Eagle House pupils are onsite at all times, therefore short cuts through the school are strictly prohibited. We thank you for your continued co-operation in this.

The Yateley refurbishment appears to be on track and we are hoping to return there for the beginning of the Summer term. Please watch the web-site for updates.

Congratulations!

To Josh & Georgie, for successfully qualifying as Teachers, we wish them well in their teaching careers!
We also have new Receptionists, Lifeguards & Teachers. We welcome them all, and wish them too, every success.

Many thanks to all our teaching staff and lifeguards who turned up for training on the cold dark winter night. It turned out to be very useful and a great success. Every member of staff found it informative and entertaining! Well done guys.
