

# We can be forgiven

## Your Bible reading

This is what Paul told the people he met. "My friends, the message is that Jesus can forgive your sins! The Law of Moses could not set you free from all your sins. But everyone who has faith in Jesus is set free."

*(Acts Chapter 13 verses 38 and 39)*

## Paul's message

Paul's life was changed after he met Jesus. He knew that God had forgiven him for all the wrong things he had done. He knew he had had a fresh start. Now he wanted to tell other people. Paul thought knowing God was better than anything else in his life.

## We can be forgiven too

God loves each one of us. His love for us will last forever.

All of us have done things that are wrong. They get in the way of us knowing God.

Jesus took the punishment for our wrong things, so that we can be forgiven by God.

God offers us the gift of forgiveness and a new start. We just have to decide if we want to accept it.

## Think about it

If you are already a Christian and following Jesus, pray that God will help you tell others the Good News like Paul did.

If you want to say sorry to God and ask Him for forgiveness, you can ask Him in your own words anytime, anywhere! He is always ready to listen.

If you are not sure and want to know more, then have a chat with one of the leaders of the Prospects group.
