Dear Parent/Carer

I am writing to inform you that Warrington LEA has been allocated £3.9million funding through a capital allocation from the Department of Education and Skills to provide a complete replacement of the buildings at Stockton Heath Primary School.

Work is now progressing on time scales and how the scheme can be implemented. Together with the LEA, we will be holding a parent/carers meeting early in the new year to provide more information.

There is to be a press release in the Warrington Guardian before Christmas, we are sure you agree with us that this is a fantastic opportunity for the school, children and community of Stockton Heath.

With this news we wish you a Merry Christmas and a peaceful New Year.

Yours sincerely

*Lynda Carnes*
