Dear Parents/Carers

Following a meeting of the Warrington Executive Board, a decision on the location of the replacement buildings to Stockton Heath Primary School has been formally agreed. This is to be on the existing site. It is planned that the children will remain in the original school buildings until the new school is built.

We are pleased to inform you that we now have a school website [www.stocktonheath.org](http://www.stocktonheath.org). There is a designated buildings page, which will provide up to date facts and information. The site is under construction and will be developed over time.

If you have any questions or queries you would particularly like to be included at the meeting on Thursday 3<sup>rd</sup> February 2005 at Bridgewater High School, please complete the slip below and return it to your child's class teacher no later than the morning of Friday 21<sup>st</sup> January 2005.

Yours sincerely

*Lynda Carnes*
