22nd July 2005

Dear Parent/Carer

LEA CONSULTATION MEETING
6.30 pm Monday 25th July 2005

As previously notified the final LEA consultation meeting is to be held in school on the above date.

This is your final opportunity as valued stakeholders in the school to contribute to this process.

To date, the LEA have received a low response for attendance from parent/carers. Your opinion is vital and should be heard.

We cannot emphasise the importance of your attendance and ask you to join us

Yours sincerely

Lynda Carnes
