Date: 2<sup>nd</sup> February 2007

Dear Parent/Carer/Stakeholder/Citizen

### **STOCKTON HEATH COMMUNITY PRIMARY SCHOOL**

I write to inform you that the Development Control Committee approved the planning application submitted for the new school building last night.

This is a very important project to Warrington Borough Council and it is appreciated that there is an enormous amount of work to do to ensure that the new school is completed by September 2008. It is vital for the welfare of the children that we all work together and ensure that the project runs as safely and efficiently as possible. Further details will be sent in due course to keep you fully updated on the programme as it progresses.

I would like to thank everybody who has given so much of their time and energy to ensure that all options have been fully evaluated and that we will deliver the best opportunity for the children of Stockton Heath Community Primary School now and in the future.

Yours sincerely

*Sue Cockerill*
