

Tilgate Park Trail Challenge

Saturday 17 September 2011

SOUTHDOWN'S ORIENTEERS invite you to enjoy a 5 mile trail race around the scenic beauty of Tilgate Park and Tilgate Forest. Twelve electronic checkpoints will define the course, which will be run along tracks, trails and field boundaries - the challenge arises from choosing the fastest route between them.

PARKING & REGISTRATION

Parking is available in Tilgate Park, Tilgate Drive, Crawley, West Sussex, RH10 5PQ. If you use the car park at the venue, there is a £3 charge. Otherwise there is on-street parking a few minutes' walk away. Registration is in the main car park.

START TIME AND ENTRY FEE

There will be a mass start at 10.45am, with registration open from 9.45am. Maps with the pre-marked checkpoints will be distributed upon payment of the entry fee (£4 seniors, £2 for under 21s). The fee includes the hire of an electronic 'finger' (as used in adventure racing) to record your arrival at checkpoints, and to provide results which will show your total time as well as split times between checkpoints. Large groups are requested to contact the organiser in advance so that we can ensure that there are plenty of maps available.

INFORMATION/RESULTS

Details will be available ahead of the event at <http://www.southdowns-orienteers.org.uk>, or contact the organiser Robert Lines 07733 301608 robert@lines.org.uk
