The Douglas Bader Foundation (est. 1982) is a U.K. registered charity (800435) committed to helping children and adult amputees and people with other physical disabilities.

Douglas Bader lived his life in the true sense of his own famous quote...
"A disabled person who fights back is not handicapped...he is inspired."

Funds are needed to develop

- Bader CHAMPS (Children AMPutees)
- The Limb Loss Information Centre
- The Bader Grant Scheme
- Information and advice

To take part in this unique event you need to pay a registration fee of £200 (non-refundable) and raise a minimum level of sponsorship.

In return you will receive: return ferry crossings from the UK, food and accommodation, back-up support vehicles and the services of a tour manager, guide, mechanic and doctor.

This 2000+ mile Challenge will take you from Cuxhaven across Germany to Leipzig and onto Prague from where you will ride through the mountains to Krakow in Poland. From here we strike north for Warsaw, Vilnius, Riga and on to Tallinn. After a days break we take the ferry crossing to Stockholm and ride across Sweden, crossing the spectacular Oresund Bridge and onto Copenhagen. We will finally ride back to Cuxhaven to connect with the homeward ferry.

An amazing adventure riding across eight European countries.

You will be riding as part of a group of 25 or so other motorcyclists keen to see and explore parts of Eastern Europe, which are away from the usual tourist destinations.

Get yourself ready now for the ride of a lifetime and return the FREEPOST card, call 01442 826662 or email douglasbaderfdn@btinternet.com
