

The Plot- Spring 2010

A newsletter for members of Kettering Allotments Association

Dear Members

We hope that you like the idea of a newsletter from time to time. This is to keep you informed of activities, report on what the committee is doing and give reminders of our rules and procedures.

Rule Reminder

This edition's rule reminder is to report **ALL** crimes to the Police and get a crime/incident number. This means that if there is vandalism or theft **EVERY plot holder** affected needs to report this and get separate crime numbers.

Reporting a crime is easy, just phone **03000 111 222**.

WHY? - The reason is that the Police keep careful records of all crimes and plan their patrols and responses using these statistics. If crimes go unreported, the Police don't know where to send patrols, PCSOs and officers. Where allotment crimes have been reported, PSCO patrols have been increased and deterred offenders. Police get intelligence from many sources and often know who the offenders are and can pursue their enquiries better when all crimes are reported.

If you witness a crime on the allotment or the intruders are still there on the field, dial 999 (or 112 if using a mobile phone).

So remember **03000 111 222** - put it in your phone's memory!
