UNIVERSITY OF LEEDS

transforming   
sport & physical activity

We are delighted to announce that the newly refurbished Gryphon Sports Centre will open on **Monday 3rd November**. You may be aware that this opening has been delayed by 5 weeks and we would like to **thank all of our customers for their patience** with the significant timetabling changes that have had to be made during the delayed building works.

## LUU Sports Clubs

All LUU Sports Clubs who were originally programmed to be based at the Gryphon Sports Centre at the start of term will move to their new location from the week commencing 3rd November. The LUU Student Activities Office will be contacting club committee members directly.

## Active Lifestyle Programme

The opening of the Gryphon Sports Centre will create more space at the main Sports Centre for the Active Lifestyle Programme. A new timetable is now out which details the move of the classes from the Upper Fitness Room to Hall 2. We hope that customers find this space more appropriate for their needs.

## Facilities at the new Gryphon Sports Centre
