Belper, Bargate, Broadholme & Openwoodgate Mini Pub Guide

Our map shows the locations of all 30 hostelryes (28 of which sell Real Ale) located in Belper, Bargate, Broadholme and Openwoodgate.

We have listed the real ales available on a regular basis and if the pub has guest beers, together with the opening times for each establishment; however it should be noted that a number of pubs operate a last admission policy and we would recommend a phone call before your visit.

The information contained within this mini guide was believed to be correct at the time of release however things do change and we would therefore welcome any feed back for future editions. billyonemate2004@yahoo.co.uk
