

Rules for Hire of Club Equipment

- Bookings may only be made by club members.
- At least 72 hours notice will be given when hiring equipment. Late bookings may not be accepted.
- All equipment to be paid for on collection.
- All times of collection and return to be arranged in advance.
- Equipment to be returned in a clean and dry state, washed in fresh water if it has been used in salt water.
- Report any damage to equipment when it is returned.
- Damage or loss incurred during private hire or incorrect use whilst in hire, is to be at least partly paid for or rectified by hire users.
- The club reserves the right to refuse any booking.
- No boats are to be used on water above grade 3.
- It is the responsibility of the hirer to check that the equipment is fit for use and to note any damage found.
- Fees for equipment hire will be set by the club committee.
- Insurance for equipment hired is the responsibility of the hirer.
- The club can accept no responsibility for how the equipment is used, the hirer is reminded that canoeing is an assumed risk activity.
- Contact Ian Arnold to make a booking.
