

## Grange Road Questionnaire, December 2008

Surrey County Council is concerned for pedestrian safety in Grange Road, Stoughton. Grange Road is narrow between Northmead Junior School and Stoughton Road. In this section the footways are very narrow on both sides. A row of parked vehicles on the west side of this section narrows the road further so that there is not enough width for two-way traffic. Southbound drivers routinely mount the footway to avoid conflict with northbound drivers, creating a safety hazard for pedestrians. There are reports of children en route to Northmead School being struck by vehicles.

Surrey County Council would like to improve the environment for pedestrians and residents of Grange Road, and specifically to deal with the problem of vehicles driving on the footway between Northmead Junior School and Stoughton Road.

### Section 1 – The Problem

Do you feel that there is a problem with vehicles driving on the footway in Grange Road, between Northmead Junior School and Stoughton Road?

Yes       No       Not sure

If you do feel there is a problem, at what time do you feel this problem occurs – please tick all that apply:

School run times only

Morning rush hour

Evening rush hour

Throughout the day

Over night

Weekdays

Weekends

Other – please specify \_\_\_\_\_

### Section 2 – Options

Please select one of the following options, and give a reason for your choice:

Option 1    Implement waiting restrictions (single and double yellow lines) in the southern section of Grange Road, to prevent parking at the times when the problem occurs

Option 2    Implement a one-way system in the southern section of Grange Road

Option 3    Do nothing

Please give a reason for your choice: \_\_\_\_\_
