

NATIONAL YOUTH BRASS BAND CHAMPIONSHIPS OF GREAT BRITAIN

JUNIOR SECTION

Name of Band		Stockport Schools Int Band	
Order of Play	1	Award	Bronze

March:

Positive start, a few balance and timing issues bar 5, 6 on the long notes.

Things then settle down. Lots of energy through the repeated sections. Just the odd mishap. Backrow watch the ensemble and bring on the trio. Well done on Bass! Very good close. Now is the hour: maybe could be a little louder on the "MP" at the start to get good ensemble. Well done 2nd + 3rd Cornets at [B]. lovely balance though a touch reserved for "ff".

Eric Ball 1: Focused start, more accents in the 1st time bar please

[B] could be a little more sostenuto, Crochets are good in bottom end.

[D] Few timing problems here, but lots of atmosphere well done!

Movement 2: Maybe a little more < >. Well done Euphs + Baris.

[H] Well done Bass + Euphs. [I] Much better solo Cornet.

3: Good drive and use of dynamics. I can tell the band enjoys this one. [N] Good rhythm. [Q] good ensemble. [R] not quite. Whole movement seems a little rushed, and not always getting the right notes.

4: Confident start, [U] again a bit of timing, powerful close. Thankyou some very positive playing.
