

eborienteers

invite you to the

Barns Cliff Regional Event, Scarborough

(incorporating the Future Champions Cup)

Sunday 10th April 2005

Parking: This will be at Low North Park (GR: SE947953) venue of the White Rose 2003. Hard standing parking with a fee of £2.00

Directions: The event will be signposted from the A171 at GR 956995 and from the A170 at GR: SE989849.

Terrain: The competition area includes complex and highly detailed hillsides, mixed Forestry Commission plantation, intricate open moorland and mature fast runnable beech forest. Some of the area was used for White Rose 2003. For elite M/W18's aiming for JWOC 2005 selection, Barns Cliff offers many similarities to Swiss terrain with steep, rocky, runnable forest and courses have been planned with this in mind. Therefore as it is a selection race the JW5L and JM5L maybe longer than BOF recommendations for regional events

Map: 1:10 000 5m contours as used for 2003 White Rose. Updated 2005.

Courses: All Senior BOF Badge event classes. Junior courses, JM1-4, JW1-4, JM5S, JM5M, JM5L, JW5S, JW5M, JW5L. String course. Limited colour coded courses. Courses will have pre-marked maps. All courses will use Sport Ident electronic punching & e-cards. Help available at Enquiries.
