

# Curriculum Vitae

---

## Personal

---

Date of birth: 30th May 1974

## Employment

---

### Present

(October 2002-Present)

GVA Grimley  
10 Stratton Street  
London W1J 8JR  
Brand Designer/ Print Designer

I am responsible for all aspects of print from producing marketing packs for online and offline external advertising campaigns as well as design for print, stationery, research publications, newsletters, brochures, sourcing printers, print suppliers and stock photography. I am also responsible for creating interactive presentations with Flash and PowerPoint.

### Previous

(May 2001-October 2002)

Quay Software Solutions  
Harbour Island  
34 Harbour Exchange Square  
London E14 9GE  
Brand Designer/ New Media Designer

From the initial logo I created I have merged three companies separate identities into a new global rebrand. Responsibilities include: Design for print, stationery, newsletters, brochures, sourcing printers, print stock suppliers and photographic imagery. Website design from concept through to creation utilising Photoshop, Dreamweaver, HTML, Flash, ASP, Java and javascript. Creating interactive presentations with Flash and PowerPoint. Producing marketing packs for online and offline advertising campaigns.

### Previous

(April 1998-2001)

PricewaterhouseCoopers  
1 Embankment Place  
London WC2N 6NN  
Graphic Designer/ New Media Designer

Responsibilities included: Producing branded new media presentations and creating plasma screen advertisements for all areas of the company.

### Previous

(April 1996-1998)

Raven Presentations Ltd  
Units 11/15 The Turnmills, 63 Clerkenwell Rd  
Farringdon London EC1
