

Bringing Barn Dancing Back with a Bang

2009/10 Season

LOCATION OF M27 MEGABOPS

From April 2007 we are going permanently to Nursling and Rownhams Hall, 7.30-11.15pm on Nursling Street, off the A3057 just off J3 of the M27, although certain dances may have to be at alternative venues due to clashing bookings. Note Nursling Street itself cannot be entered direct from the motorway junction, proceed northwards to A3057 and turn right. Nursling Street is then fifth on the right after going back under the motorway; the Hall is on the corner of Joe Bigwood Close.

Note - we did not hold a dance this September, so we start the season in October.
